Some of these companies have requested the names and addresses of CSC racers in order to contact racers directly regarding their products. Please indicate whether you would like this information released or withheld.

I grant PSOC/CSC permission to release the following information only to CSC race program sponsors for their sole use:

I understand that skiing and ski racing can be a dangerous sport and that I accept the risks involved as my own. I release the Palmetto Ski & Outing Club, any of its board of directors, or anyone involved in organizing any race activities, from any responsibility should I injure myself in any way, form or fashion.

I understand that I am racing as a member of a team. I understand that if I sign up for a race and cancel without notifying the race director by the Sunday preceding the race, that my "No Show" may cost my team points. I also acknowledge that my "No Show" may result in exclusion of any other team rebates, and the possible exclusion from special race team events.
