  - e. Board members offer options for motions, motion modifications, votes for adoption or votes to defer for future consideration.
- Petitions and Communication: This is an opportunity for any BLYC Member to address the BLYC Board on any issue NOT on the current agenda. The Board encourages input from all BLYC members that wish to attend in person as BLYC meetings are open to all Members. However, the BLYC Board should not act on any new issue brought up during the public petitions section of the meeting that is not noticed or on the agenda.
- The BLYC Board will post the meeting agenda on the website prior to meetings. Minutes will be posted on BLYC website after approval. This will improve Board-Membership Communications.

**3. Consideration of 2 Amendments to the Commercial Vendor Policy:**

- Discussed a proposal that Charitable Donations of \$10,000 or more would allow a waiver of the Special Use Construction Fee. No motion made to advance.

Bill proposed that we hold 1/3 of the fees collected in reserve until such time work is needed and a request for funds is made by the BV Road Association.
