"Janice and Joe are talented musicians and the added enjoyment of having live music for a cocktails or dinner is wonderful! They also have the ability to provide DJ Services as well as fun options like karaoke which makes their offerings very unique and special. I recommend anyone planning an event to check them out!"

Robert and I would like to thank you for being a part of our wedding day on April 9th. It was a fun day to put together, with a diverse group of guests from our 5 year-old grandson to great-great grandma (Triple G) and everyone in between that needed to be considered. Your insight and wisdom helped us to really understand and visualize the timing and sequence of activities. It enabled us to pull together the many pieces, of a very beautiful and meaningful wedding day that could have been forgotten.

Most importantly, the music and pace were perfect! Our guests enjoyed the mix of live jazz performances, as well as the great dancing music later in the evening. There was something for everyone, that all enjoyed! We were able to add in our special songs for the pre-ceremony, ceremony, and special events (first dance, father daughter, and council of elders) that you helped us plan into our event. Joe edited and timed our ceremonial songs just as we requested. Things we had not thought about, that you and Joe do so well, is that there were surprises that are not planned. Guest birthdays, speeches, where the dance floor would start and then end up... You and Joe were adaptable, professional and kept our event on track, kept our guests engaged, and allowed us to relax and focus on ourselves. Thank you for helping to field, facilitate and coordinate all those time keeping issues for us. We are meeting with our photographers on April 30th and look forward to sharing photos with you in May. Meanwhile, I thought you might like these quotes from the evening...

"Wine Maniacs? This place should be called Dancing Maniacs!" Declan, age 5

"I feel famous! Everyone keeps telling me what a great dancer I am and wants to dance with me. This place rocks!" Jackson, age 7

"This was one of the best weddings I have ever attended. If I ever get married again, I would do it just like this." Erik, age 51.

As our emcee, facilitator, songstress and musician, you helped keep our event on track, kept our guests engaged and allowed us to focus on ourselves. We had so many compliments on our day, and you and Joe were a big part of making it successful. If you would ever want or need a referral, please use our name and feel free to share this email. We will be out to see you soon.

"Hi Janice! We just returned from our honeymoon, now it's back to work for me. THANK YOU so much for providing highly professional and beautiful music at our wedding. You are such a talented lady, and have the best personality to get the crowd going to have some fun. I'm so sorry Tom did not have the tent up for you during the cocktail hour. I can't imagine how hot that must have been for you and Joe and I apologize greatly. I will recommend you to anyone I know getting married in the area. We got so many compliments on you guys. Thanks again! Best,

Stefanie

"My family has had the wonderful opportunity to enjoy this First class Venue twice. The attention and professionalism that Janice and Joe have shown us is outstanding. From the communication during the planning to the evening, offered us a sense of "no worries" as we were assured that the entertainment would be taken care of from the moment they began to the moment they ended. They delivered everything that the bride and groom had asked & then more! Their enthusiasm and energy is contagious on the floor. What more does a bride and groom want than their guests having the time of their lives! Janice and Joe helped us obtain it. Thank you again! **Terry and Cindy Fassbender Family**

Janice, you were incredible at the wedding. My feet are still killing me :) **Michelle**

Joe & Janice, We would like to thank you for providing great entertainment at our wedding! You played a variety of music selections that all of our guests enjoyed and had fun with! We greatly appreciate your time and hard work, it was a pleasure to work with you. **Melissa & Andy**

I just want to thank you both so much for everything you have done for our wedding. I've never heard so many complements! My grandma and grandpa can't get over how they had the dance floor all to themselves and yet, one of their favorite songs played live! That meant a lot to them, thank you! After reminiscing the wedding with everyone the past few weeks, we have heard nothing but GREAT things about you both. Everyone LOVED your music and energy! In our experience in attending weddings, it is very rare to find such a wonderful DJ/Live music with such energy! You guys had all our guests dancing and had something for everyone to dance to! We continuously play our CD you made for us in our house. It brings us back to our special night. Thank you for thinking of us and doing that for us. And the shoe game...wow, did the guests LOVE it! Just because they have never seen it and got a kick out of it! Thank you for making up the questions and such. It turned out to be a HIT! We can't thank you both enough for making our night memorable and making our guests DANCE all night long! You both are the best! Thank you!
