

**Professional DJ Services from Janice Marie & Joe Scheibinger**

Your wedding day will be the day you remember the most. Make sure your day is perfect by hiring the professionals that will guide you, and most importantly give you what you want. Your day is special to us. Let us help you make your memories. Today a professional DJ is more than just a person who plays records. We offer free consultations to help you coordinate your reception. We motivate your guests, handle all master of ceremonies responsibilities, play great music, and interact with your guests.

You can have the sophistication and interaction of a professional radio broadcaster and the enormous musical library of a radio station in one package! Joe Scheibinger & Janice Marie have over 20 years of experience entertaining audiences throughout the Midwest. They have performed at hundreds of weddings, along with performing at some of the greatest festivals and clubs in Wisconsin.

We will professionally make all introductions and announcements needed for your event. You select in advance the type of music and songs. If you would like a piece of music we do not have, we will obtain it for you at no extra charge before your event. We will gladly take requests from your guests and play them as long as they fit into your music guidelines. We will work with you, the photographer, hall staff and others to give you a smooth, organized reception. We want you to be able to relax and enjoy your very special day.

All of our equipment is professional grade. We use professional lighting and controllers for a very colorful and dynamic light show that moves with the music. We have a library of over 100,000 songs including Karaoke. We are adding new music to our library constantly.

We will meet with you to help you plan your reception, from the first dance, father-daughter and mother-son dance, wedding march, any and all toasts, cake cutting, bouquet and garter toss. Your party will have our full attention, not split between many shows like some companies. Also, *we are the entertainers you will get!* You talk to us, meet with us, put your trust in us and we'll be the ones at your party.

Please call or e-mail and we will send you a complete price quote for your event. You can also get a list of public events to check us out by e-mailing us at [backstagelive@gmail.com](mailto:backstagelive@gmail.com)
