

# The Rooted in Kulture Framework

## Five Pillars of Culturally Responsive Education

### Advocacy + Representation

Access and Action

### Building Educator Capacity

Expanding Student Possibility

### Centering Joy

Elevating Achievement

### Rooted in Kulture

### Cultivating Learning

Grounded in Culture

### Transforming Classrooms

Through Purpose and Belonging

**Rooted in Kulture**

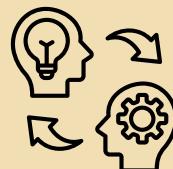

Educational Consulting

# Transform Your Classrooms with Rooted in Kulture

CULTURALLY RESPONSIVE EDUCATION

## Our Approach

We partner with educators and districts to create equitable, culturally responsive learning environments. Our services are designed to strengthen instruction, honor student identities, and ensure every learner has access to rigorous, relevant education that reflects their lived experiences and cultural backgrounds.

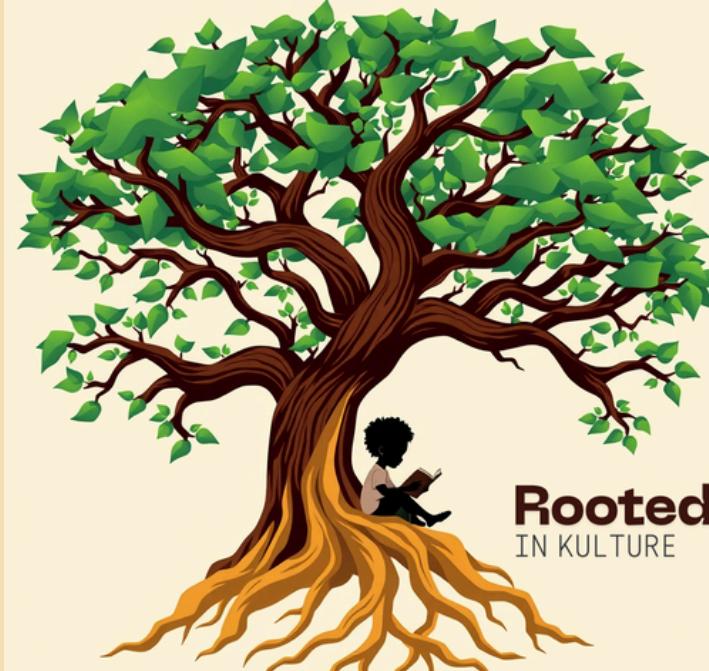

### Coaching

Hands-on, equity-driven coaching that strengthens instruction and develops culturally responsive practices serving all students.

### Curriculum Modification/Adaptation/Creation

Partner with us to design a culturally responsive curriculum that reflects student identities and honors diverse perspectives.

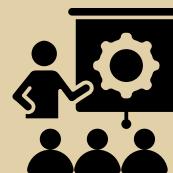

**Rooted  
IN KULTURE**

## Our Impact

We create transformative learning experiences for educators and students across diverse school communities through our commitment to:

✓ Access & Equity	✓ Representation
✓ Cultural Responsiveness	✓ Student Achievement
✓ Advocacy	✓ Joy & Belonging

***Services available in-person and virtually***

### Professional Learning Workshops

Engaging, equity-centered workshops that equip educators with immediately applicable tools for culturally responsive teaching.

If you're uncertain about the best training or support for you and your team, please share your specific needs so we can provide tailored solutions. We'll respond promptly with the information you need!
