

CONTRACTOR EXRESSION OF INTEREST DETAILS FORM

Welcome to Carelink Qld, we are a new NDIS organisation with 20 years' experience in youth services including foster and residential care.

Our future direction as a registered NDIS provider enables our current Care Support Contractor's to also offer NDIS participant care in core supports at home and in the community.

We are looking for creative and outgoing Disability Support Workers on a contractual basis in Cairns, Northern Beaches, Port Douglas, Mossman and North to Cooktown to support, engage and motivate our clients to achieve their NDIS goals by engaging in local activities, tours and capacity building programs alongside lifestyle support care. The work offered is based on service agreement schedules between workers, NDIS clients and Carelink QLD. Including day/ night, weekend and public holiday shifts. Our focus work being activities and experiences that build confidence, social connection, and capacity building largely within the youth sector of the NDIS.

Your Role as a Disability Support Worker with Carelink Qld

- Support individuals of all ages with intellectual impairments, and physical disabilities our clients will have good capacity and be largely independent as per our core modules we are registering for.
- Outstanding interpersonal, communication. Able to work with multiple stakeholders and tourism operators.
- Have good physical fitness.
- Able to complete (to a high standard) household and domestic tasks (i.e. cleaning, shopping, meal preparation, laundry, etc).

Contractor Requirements

- ABN and Business Name.
- COVID-19 Vaccination Proof (if you have had, not mandatory).
- Your own insurance (public indemnity, personal liability, car insurance, we can offer suggestions that our current contractors use).
- Working With Children's Check Blue Card (or willingness to obtain prior to commencement).
- NDIS Worker Screening Check (we help with this process).
- First Aid and CPR (or willingness to obtain prior to commencement).

- Driver's Licence and Comprehensively Insured Car that is in good clean working order. (or willingness to obtain prior to commencement).
- Certificate of completion: NDIS Worker Orientation Module and Induction Model (or willingness to obtain -30 min online and free).
- Certificate of completion: COVID-19 Infection Control Training (or willingness to obtain).
- With two professional referees in the last five years.
- Whilst no formal qualifications are required for some support roles, personal care support roles depending on the NDIS Clients plan, can require workers to have completed a formal qualification Certificate III or IV in Disability, Certificate III in Individual support, Certificate III in Home and Community Care or Nursing qualifications.
- Please advise of any skills or any other qualifications, you can offer that could positively impact NDIS Clients i.e., relating to social support, domestic support, personal care, nursing services, speech therapy, psychology, physiotherapy, occupational therapy.

If you would like to join us, or would like to be on our future contractor list please return the following expression of interest along with any of the above requirements and ID Photograph (can be taken yourself in portrait mode).
