

Lighting the Pathway to Connectivity

Our Gateway to Economic Opportunities

June 2 & 3, 2020

Victoria Inn Hotel & Convention Centre | Winnipeg, MB

SPONSORSHIP OPPORTUNITIES

The 2020 CSC Conference “*Lighting the Pathway to Connectivity – Our Gateway to Economic Opportunities*” will provide networking and business partnership opportunities to First Nation Communities, businesses, service providers, and government representatives at all levels who are involved in the expansion of Indigenous Communication Pathways through high speed internet access.

Clear Sky Connections is an emerging major First Nation Entity to provide broadband connectivity deploying high-speed fiber optic network to its membership and beyond. An ICT Centre of Excellence is the training vector that will sustain the smoke signals of the future.

The 2-day event will include:

- Trade show
- Youth participation
- Training opportunities
- International presenters
- Networking with decision makers and frontline community champions!

You can get involved in a number of ways:

- **Secure your sponsorship opportunity** – Review our different levels of sponsorship for the conference. Each one offers varying degrees of conference exposure and spotlight (see last page).
- **Submit proposals for conference topics** – If you believe the interest you serve would be valuable to include in programing, please submit documentation that outlines your request, materials and support required.
- **Register to attend!**

How will you benefit?

- Reach the broadest possible audience of people involved in the communications industry from across Canada gathered together in one place.
- Reach First Nations and organizations in Canada.
- Reach leadership from all levels of government and business and Private Sector.

Who should attend?

- People in technology, education, administration, health, social development, economic development, and are committed to the growth and prosperity of Indigenous Culture, knowledge, communities and communications.
- Information Communication Technology affects everyone and everything as we move towards an interconnection on an electronic scale. It is the underlying tool to Worldwide Indigenous Associations and Services.

***Please note that sponsorship opportunities fill fast, so please secure your spot early!**
