

Lighting the Pathway to Connectivity

Our Gateway to Economic Opportunities

June 2 & 3, 2020

Victoria Inn Hotel & Convention Centre
Winnipeg, MB

The 2020 CSC Conference *'Lighting the Pathway to Connectivity - Our Gateway to Economic Opportunities'* will provide networking and business partnership opportunities to First Nation Communities, businesses, service providers, and government representatives at all levels who are involved in the expansion of Indigenous Communication Pathways through high speed internet access.

Clear Sky Connections is an emerging major First Nation Entity to provide broadband connectivity via a high-speed fibre optic network to its membership and beyond. An ICT Centre of Excellence is the training vector that will sustain the smoke signals of the future.

Speakers will include:

Chief Clarence Louie,
Osoyoos Indian Band

Jenn Harper,
Founder/CEO,
Cheekbone Beauty

Chief Marcel Moody,
Nisichawayasihk
Cree Nation

The 2-day event will include:

- Trade show
- Youth participation
- Training opportunities
- International presenters
- Networking with decision makers and frontline community champions!

Who should attend?

- People in technology, education, health, administration, social development, economic development, who are committed to the growth and prosperity of Indigenous Culture, knowledge, communities and communications.
- Information Communication Technology affects everyone and everything as we move towards an interconnection on an electronic scale; It is the underlying tool to Worldwide Indigenous Associations and Services.
