EXPERIENCE

WHO ARE WE

PHC has been serving the St. Petersburg community at large for the past 27 years. From the common cold, to hospitalizations, and long-term care, your PHC providers and staff are there to provide uninterrupted care to you and your loved ones.

ACCESS TO CARE

PHC accepts most insurance plans including Medicare, Medicare Advantage, Medicaid, and Commercial plans. Don't have insurance? We offer an income-based sliding fee scale so that you can still get the care you need at a price you can afford.

WHY PHC?

We pride ourselves in continuity of care and are industry leaders in meeting and exceeding Medicare and NCQA standards of care.

SAME DAY APPOINTMENTS

PHC Health & Wellness is so much more than just another clinic. Through our established network of clinics, we offer same day in person or virtual appointments.

HIV PREVENTION, DETECTION AND CARE

Not only do we offer Rapid HIV testing at our clinic, but we also offer confirmatory testing and follow-up care! Coupled with same day appointments, getting needed care is fast and seamless. Waiting a long time to get PrEP/PEP, is a thing of the past.

“Alone, we can do so little; together, we can do so much.”
