

Paper bag Turkey

Paper Bag Turkey #38

Supplies needed This template makes two turkeys

- This template
- 2 Lunch bags
- Scissors
- White glue or glue stick works best
- Crayons or markers
- Construction paper (optional)

1. Color the shapes below or use as a guide to put on various colors of construction paper and then cut them out.
2. Flip the bag over so the flap is not facing you then glue the feathers color side down on the  line provided as shown. ---->
3. Turn the bag over so the flap is now facing you and glue the beak and eyes on.
4. Let Dry and have fun
