

RIBBON LOOP CHRISTMAS TREE

MATERIALS

- Styrofoam cone
- 4 Patterns of Silk ribbons
- Scissors
- Hot Glue Gun or Glue dots
- Decor star

INSTRUCTIONS

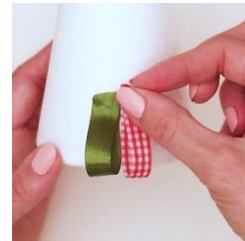

1. Cut the ribbons 2.5 inches long.

2. Using a hot glue gun, glue together the end of the pieces.

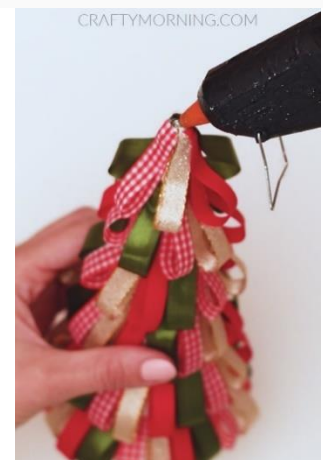

3. Glue the ribbon pieces to the cone starting from the bottom and work up

4. Make 6 layers of ribbon loops.

5. Glue the decor star on the top and display!

You can even add battery operated fairy lights to make it twinkle at night!
