

# Popsicle /Craft Stick Scarecrow Craft

This Kit makes 2 Craft stick Scarecrow Crafts

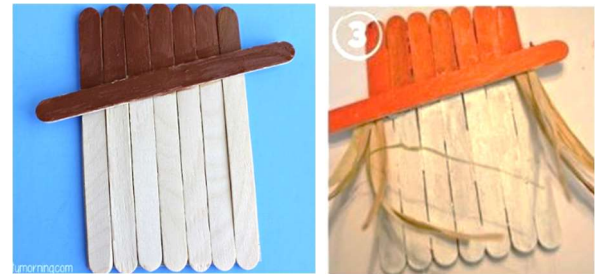

## Supplies

- 8 **Popsicle Sticks** or 6 craft sticks (12 included to make 2)
- Glue
- Brown, yellow, white, orange paper (or use templates printed)
- Scissors
- Brown/**black marker**
- **Brown paint** or Orange paint
- 8 in paper plate to glue it to (optional)
- String to hang it with

1. Start by cutting a rectangle out of cardboard (we used a cereal box) and spreading glue all over it. Stick on 7 popsicle sticks in a row.

2. Glue the last popsicle stick diagonal to make the scarecrow's hat. Paint it brown or orange and let dry.

3. Now cut some yellow paper in thin strips for the hair and glue the straw hair, (yellow paper) To the back of the hat brim!

## #35 Craft stick Scare Crow

4. Cut out some eyes, a nose, and a flower for the hat. You can draw on his smile with a brown or black marker. There you have the cutest little scarecrow around!

5. Glue the sticks to a paper plate or add string to hang them by.
