It's literally ON US

Calling on neighbors to enrich our  
communities, ensuring social justice for all.

# FACTS

- ▶ Everyday, there are men, women, and children in the state of Massachusetts whose basic human needs are not met
- ▶ This is totally preventable
- ▶ YOU can be the change

# HERE'S YOUR HOW

There are 351 communities in Massachusetts,  
14 have been identified as being the most underserved.

$$\begin{array}{c} \text{337} \\ \text{communities} \end{array} \times \begin{array}{c} \text{450} \\ \text{residents} \end{array} \times \begin{array}{c} \$100 \\ \text{annually} \end{array} = \$15,165,000$$

In the remaining 337  
neighboring  
communities

If 450 residents

Each donate \$100  
annually

Generates \$15M+ to  
be invested in the  
14 underserved  
communities  
annually
