

Spring is finally here. We have been embracing the sunshine & spending lots of time in the garden. The children's favourite activities have been water play, the mud kitchen, outdoor painting and watching the lambs with their mummies in the field right next to us! We are so lucky we get to experience this with the children 😊

Dates for your diary

Wish list

We would really appreciate if anyone has anything on this list to donate.....

- ♥ Spring bulbs / plants
- ♥ Plastic storage boxes
- ♥ Short pile rugs
- ♥ House plants /cuttings
 - ♥ Small duplo
 - ♥ Car track
 - ♥ Hand held mirrors
- ♥ Watering cans / gardening tools

Sun cream & Hats

Please can all parents ensure their child has suncream that is labelled with their name on & a sun hat now that the sun has FINALLY arrived! Even on days where it does not particularly feel warm, the UV rays may still be high.

Also, if your child's waterproof is quite a thick fleecy one, please could we have a more spring/summer appropriate one. Thank you 😊

Question of the month

Please respond to our online question of the month. It helps us to evaluate our practice 😊

Parent group

We have a parent support group on Whatsapp, if you would like to join, please follow the link below.

<https://chat.whatsapp.com/FdY3G352D2z1idyv8F58EG>

New member of the team

We have a new member joining our team joining us next week. Libby will be supporting the staff in pre-school room.

Libby will be starting her apprenticeship with us in September, but until then she will be gaining some child experience with us, before starting her studies.

We hope you all make her feel welcome.

I have attached her all about me for you to have a little read 😊

School places

Children that are going to school this year, you will find out about school places Wednesday 16th April. Once you have found out please let us know, so we can get in touch with their schools to arrange their teachers coming to visit nursery.
