

Since March the year seems to be flying! We are grateful for the lovely weather we have been having. The children are embracing the walks & messy outdoor play! Please remember spare clothes, sun-cream & hats 😊

**REMINDER - Father's day junk modelling** is coming up on the **12<sup>th</sup> June 9am-10am**.

We invite all our daddy's (and mummy's) in to celebrate Father's Day. You will have hot drinks and cake whilst creating something with your little one, we will have all the resources you just bring the creativity! There will be a prize for the best model 😊

### Is my child having too much screen time?

As we all know, too much screen time isn't healthy for anyone. Especially children, where their little brains are still developing.

Here is some helpful advice from BBC – Tiny happy, people.

### Does my little one need glasses?

It is surprising how often it goes unnoticed that some children need glasses before they start school.

Take a look at the signs that could indicate that your child may need an eye test.

### Recommended group - [Classes | Worcester Woodland Explorers](#)

Some of our parents have asked about recommended groups or classes to take your little ones to locally. We really recommend Worcester woodland explorers. It is an outside stay and play group, on Bromyard road. Your little one can explore the outdoors, sing songs around the campfire & they get a little snack included. It is a very relaxed play and stay session, with free play and lots of space!

### Healthy lunch boxes

For those who are thinking of proving their own lunch and snacks from September I have popped a couple of links underneath for healthy lunch box ideas 😊

### Family support services

This is a link to the Worcestershire virtual family hub, there are so many services you can access including local family hubs in the area, free training courses you can do online, keeping children safe, mental health and wellbeing support services and so much more. If you need any advice on any of these just let me know 😊
