

HEAVY METAL BARBELL

Proudly Made in Minnesota

20KG OLYMPIC BAR

100% USA made barbell from precision turned ground and polished steel. This bar has a minimum tensile strength of 190K with a diameter of 28.5 MM. The mild knurl on this bar makes it a great multipurpose bar for all exercises. This is our most popular bar that we produce. The ends are secured by our dual snap ring design and use our proprietary Self Lubricating Oillite® Bushings. This bar has been tested up to 2000 LBS. This bar has both Powerlifting and Olympic marks and meets the IWF Specs.
