

Proudly Made in Minnesota

45 LB POWER BAR

100% USA made barbell from precision turned ground and polished steel. This bar has a minimum tensile strength of 190K with a diameter of 28.5 MM. The medium knurl makes this a great multifunctional bar. The ends are secured by our dual snap ring design and use our proprietary tooled Self Lubricating Oillite® Bushings. This bar has been tested up to 2000 LBS. This bar has powerlifting marks with olympic marks available and meets the IPF Specs.
