

Proudly Made in Minnesota

Aluminum Training Bar

100% USA made barbell from 6061 Aircraft Grade Aluminum this bar has a load rating of 150 LBS. This bar was designed to teach athletes how to olympic lift and give them a true feel of an olympic bar without the weight. This bar has the same knurling spacing and collar to collar distance as our 20KG Olympic bar. This bar also has a shaft size of 28.5 which gives the athlete the true feel of a 20KG Olympic Bar. This is a great bar for teaching weight lifting.
