

Pricing Guide

At Boyle's Creekside, we offer three pricing tiers determined **by color, sex, coat type, and current demand**. Every puppy receives the same exceptional care, health standards, and early socialization — tier placement is not a reflection of health, temperament, or quality of care.

Creekside's Signature Reserve

\$3,000 – \$3,500

Our Signature Reserve tier includes puppies with the rarest colors, highly sought-after coat types, and highest market demand.

Pricing in this tier reflects:

- Rare or trending color patterns
 - Premium or specialty coat types
 - Strong buyer demand at time of availability
-

Creekside's Premier Select

\$2,300 – \$2,800

Premier Select puppies feature **desirable colors and coat types** that are consistently popular but not considered rare.

Pricing in this tier reflects:

- Attractive and in-demand colors
 - Quality coat types with strong appeal
 - Steady buyer interest
-

Creekside's Classic Line

\$2,000 – \$2,500

Our Classic Line includes puppies with **traditional colors and coat types** that experience moderate, steady demand.

Pricing in this tier reflects:

- Standard or traditional coloring
 - Common coat types
 - Consistent but lower relative demand
-

Equal Care Across All Tiers

Regardless of tier, every Creekside puppy receives:

- Comprehensive veterinarian health evaluations and health records
 - Age-appropriate vaccinations and deworming
 - Early socialization and enrichment
 - Ongoing breeder support
 - A go-home care package
-

Tier placement may vary between litters depending on:

- Current market demand
- Color availability within a litter.
- Coat type distribution.

Our commitment to quality, health, and responsible breeding remains the same across every puppy we raise.
