

Christmas Eve

Santa and his elves were out on
Christmas Eve
greeting our drive through visitors and
collecting cash and food donations
for the food banks.

We collected \$1078.60
and 250 items of food
weighing in at nearly 300 pounds!!

We would like to thank everyone in the
neighborhood who participated by decorating
their homes, donating to our drive and
showing us that Christmas spirit is
alive in this year of a pandemic.
