Revised June 17, 2019

WHEREAS, Pueblo Estates Homeowners Association (“Association”) has authority pursuant to the Declaration of Covenants, Conditions and Restrictions and the By-Laws of Pueblo Estates Homeowner’s Association, Inc. (“By-Laws”) to determine the manner in which to remedy and/or impose penalties for violations of the provisions set forth in the Declaration, the By-Laws and any rules, regulations and Policies adopted by the Association (collectively), the “Governing Documents”).

WHEREAS, The Board of Directors of the Association (“Board”) finds there is a need to establish procedures for the enforcement of the Governing Documents, and for the elimination of violations which may be found to exist within the Association.

NOW THEREFORE, IT IS RESOLVED that the following procedures and practices are established for the enforcement of violations of the Governing Documents and for the elimination of violations found to exist within Pueblo Estates Community. These procedures and practices shall be known as Pueblo Estates Homeowners Conformance.

Notice of a Violation While the Association intends to generally follow the procedure below; the Association reserves the right, in its sole and absolute discretion, to vary from this procedure due to unique circumstances of every situation.

1. **Violation of the CC&R's and/or Bylaws** Violations can be reported by a Homeowner, by Conformance or by a **Board Member** as a result of their observation of the infraction. A Homeowner may register a complaint by filling out and signing a Complaint and/or Suggestion Form and submitting it to the Office Manager. Complaint and / or Suggestion Forms are available in the Pueblo Estates Homeowners Association (PEHOA) office located in the Clubhouse, and on the PEHOA Website. The Office Manager will forward the completed form to Conformance for investigation.
2. **Notification of Homeowner:** If upon investigation or by observation, Conformance determines that an infraction has occurred, they will:
 - a. Contact the Homeowner allegedly in violation of the CC&R's and / or Bylaws in person or by mail.
 - b. If in person, explain the nature of the violation to the homeowner and complete the Conformance Form and establish a date whereby the violation will be remedied. This form will be signed by Conformance and the property owner. If the property owner refuses to sign, it will be so noted on the completed form.
 - c. If in person, give a copy of the completed form to the property owner. If the property owner refuses to accept form, a copy will be mailed to him via U.S. Postal Service.
 - d. In supplying the property visit form, it is not compulsory to include the complaint form.

3. **Verification of Compliance:** Conformance will revisit the property on or after the completion date for corrective action. If the condition causing the violation has been corrected, the case will be closed. If the condition persists, Conformance will refer the case to the Hearings and Fines Committee or his /her designee.

FINES AND LIENS COMMITTEE OPERATING PROCEDURE (cont.)

Revised June 17, 2019

Hearings and Fines: Hearings and Fines Committee or his/her designee will:

- a. Confer with Conformance to understand the nature of the infraction and history of the actions already taken.
- b. Determine if a hearing is necessary.
- c. Notify the property owner that a hearing will be held to determine the disposition of the case and request his/her participation. Determine an agreed upon date and time for the meeting.
- d. Conduct the meeting of the Hearings and Fines Committee and invite the property owner to present his/her side of the dispute and attempt to establish an agreement on how to rectify the violation of the CC&R's or Bylaws. If no agreement can be reached or the homeowner refuses to attend the meeting, develop a recommendation for corrective action for the Board of Directors.
- e. If the matter is referred to the Board, assemble the documentation of the violation for presentation to the Board of Directors at the next Board meeting. Place the topic on the meeting agenda.
- f. Send a Notice of Hearing letter to the property owner explaining that the matter will be discussed at the next Board meeting giving the date and time of such meeting and advising him/her of his/her right to discuss the matter with the Board.
- g. Hearings and Fines will inform the non-compliant homeowner by mail of the Board's decision and advise him/her of how to pay the fine or bill for expenses to the association caused by the non-compliance. If the non-compliant satisfies the fine or bill for expenses and corrects the condition causing the original complaint, the case will be closed. The non-compliant homeowner will be advised by mail of the referral to our legal counsel and advised that any legal fees or expenses incurred as a result of the case will now be part of the legal settlement.
- h. **Referral to Legal Counsel.** Where a violation is determined to exist and is referred to the Board of Directors of the Association pursuant to any of the provisions of this Enforcement Policy and where the Board deems it to be in the best interests of the Association, the Association may, at any time during the enforcement process, refer the Violation to legal counsel for action seeking injunctive relief against the Lot Owner to correct or otherwise abate the Violation, or to pursue any other legal or equitable remedy that may be available to the Association.

HEARINGS and FINE COMMITTEE FINE PROCEDURES (cont.)

Revised June 17, 2019

1. Infractions of the Covenants, Conditions, Bylaws or Operating Rules (hereafter collectively referred to as the CC&R's) of Pueblo Estates Homeowners Association are referred to the Hearings and Fines Committee by Conformance after Conformance has determined that the homeowner has not and will not correct the action or condition that violates such CC&R's. The homeowner will have been notified by Conformance that the case has been referred to Hearings and Fines. The following documents will accompany the referral:
 - a. Copy of original complaint, either by resident, Conformance or Board member.
 - b. Copy of Registered Return Request letter sent by Conformance to the homeowner.
 - c. Copy of the U.S. Post Office affirmation of delivery of the Registered Return Request letter sent by Conformance, or refusal to accept registered letter.
2. The Hearing and Fines Committee will start proceedings to meet with the non-compliant Homeowner to discuss corrective action. If necessary, the Hearings and Fines Committee will levy a fine until the infraction is corrected.
 - a. Ongoing infractions, i.e., improper property upkeep will be ten dollars (\$10.00) per day until the infraction is corrected.
 - b. Specific instances, i.e., barking dog or inappropriate parking will be twenty-five dollars (\$25.00) per incident after the first warning.
3. The procedure for levying a fine is as follows:
 - a. Registered Return Request letter will be mailed to the offending Homeowner via the U.S. Postal Service requesting that he/she call to make an appointment to meet with the Hearings and Fines Committee to discuss the infraction and determine appropriate action. Such call must be made by the Homeowner within 10 calendar days of receipt of this letter.
 - b. Should the offending Homeowner not make the call to set up an appointment with the committee, the chairman or his/her designee will call or attempt to call the Homeowner to make the appointment.
 - c. The purpose of the meeting with the non-compliant Homeowner is to inform him/her that failure to conform to the CC&R's will result in a fine. He/she will also be informed of the terms of payment and penalties for failure to pay, including forwarding the case to legal counsel. The penalty will be calculated at the rate of ten percent (10%) per annum of the outstanding balance of the fine calculated monthly.
4. The Hearings and Fines Committee, with the support of the Board of Directors, has the authority to alter,

reduce, or modify any parts of the fine placed on any property. In a grave situation the Board will be consulted and will make a binding judgement. The Board can override the committee if needed. The Board of Directors reserves the right upon the conclusion of presentation by Fines/Liens, to submit the case directly to our legal counsel.

HEARINGS and FINE COMMITTEE FINE PROCEDURES (cont.)

Revised June 17, 2019

5. Overdue fines (including processing costs, legal fees, and penalties) can result in placement of a lien on the property of the noncompliant homeowner. Since liens require court action, such action requires approval of the Board of Directors. If the Board decides to proceed with a lien, Hearings and Fines will assemble the necessary documentation for conveyance to the PEHOA legal counsel. All legal fees including attorney letters will be charged to the noncompliant homeowner.
6. When Hearings and Fines are satisfied and the condition has been remedied and all due fines paid, a letter will be sent to the homeowner stating that the case has been closed.

Pool and Hot Tub: During Set-up, Sale, and Clean-up

Pool and Hot will be closed whenever the area is open to the public. Pool and hot tub to remain open to residents the remainder of the time during normal pool hours.

The HOA will not provide pick-up or delivery of items for the patio sale or items purchased from the sale. This does not preclude individuals from offering their services to Pueblo Estates residents.
