Summer 2022

Message from the Board

To Our Residents and their Families:

Another season has come and gone and we head for what we hope will be a quiet and safe summer. We want to thank everyone who has worked so hard this past winter to keep Pueblo Estates going, and make it a good place to live.

THANK YOU ALL.

Charlie Parfrey has resigned from the Board. We wish to thank him for all his hard work this past year. Jack Vishner has been appointed to complete Charlie's remaining term.

With summer coming we hope to complete a number of projects and clean-up many items. One of the projects will be to add a fence to the road between us and GV Estates, as well as the repair or replacement of the AC for the Annex.

We would like to pass on some advice from what we have learned this past year. If you are contemplating doing anything outside your house that may affect the looks or appearance please spend a few minutes looking at the CC&R's to understand what can and can't be done. It will save you and us a lot of potential headaches. Also if you feel your neighbor is doing something that's not proper consult with the CC&R's to see if they really are violating some rule. If you are going to submit a complaint form please be sure that it is for something you know to be true, not some rumor you have heard and please sign the form.

I hope you have a great summer.

"Beyond the Blackboard"

Inspired by a true story

When Stacey Bess gets her first teaching job, she's shocked to find that she is assigned to something called the School With No Name—a space in a homeless shelter that's supposed to be a classroom. The children are all ages, many from broken families, thrown together in a classroom lacking essentials like desks and books. Stacy must tackle her own fears and insecurities as she works to gain the attention and respect of her young students. Using her compassion and determination she takes on both school board officials and apprehensive parents. Eventually she transforms the barren space into a warm, comfortable environment where the children not only acquire knowledge, they also acquire self-respect and a measure of dignity.

JULY 16TH
"Miss Firecracker"

This hilarious comedy stars Holly Hunter as Carnelle, a sexually-loose hellraiser who was orphaned as a child and has grown up in the shadow of her beautiful cousin, a proper southern belle and past Miss Firecracker. Carnelle, far from the typical contestant, sets her sights on the current crown and devises a scheme to enter and win the contest. Hunter is fabulous as the fiery Carnelle, giving justice to the film's title.

THE WAY THE CROW FLIES
ANN-MARIE MACDONALD
OCT. 27, 2022, 2 PM, P.E. LIBRARY

*Pretend you are on vacation this summer and read, read, read! Bring a list of your favorites back to Pueblo Estates in the fall so our club can enjoy your most delicious titles in the 2022-23 season.

“One of the finest novels I’ve read...a fiercely intelligent look at childhood, marriage, families, the 1960s, the Cold War and the fear and isolation that are part of the human condition.... it is not only beautifully written.... it is equally beautiful in its conception, its compassion, its wisdom, even in its anger and pain. Don’t miss it.” — Patrick Anderson, *Washington Post Book World*

The optimism of the early sixties, infused with the excitement of the space race and the menace of the Cold War, is filtered through the rich imagination of high-spirited, eight-year-old Madeleine, who welcomes her family's posting to a quiet Air Force base near the Canadian border. Secure in the love of her beautiful mother, she is unaware that her father, Jack, is caught up in a web of secrets. When a local murder intersects with global forces, Jack must decide where his loyalties lie, and Madeleine will be forced to learn a lesson about the ambiguity of human morality -- one she will only begin to understand when she carries her quest for the truth, and the killer, into adulthood twenty years later.

SCAM SQUAD

A service of Green Valley Sheriff's Auxiliary Volunteers

Four Ways to keep from becoming a Scam Victim:

DON'T ANSWER

When the phone rings, do not answer if you do not know the caller. Don't worry, important callers will leave a message. Many caller-id numbers are fake!

HANG UP

If you did answer, do not panic if it is a suspicious call. Do not help him or her out - just hang up! You do not owe this stranger any of your time. Hang up!

DELETE!

Delete suspicious emails, and never open any email unless you are certain of the sender. Scammers set-up email addresses that look legit.

SHRED!

Shred all mail and documents with your personal information on them. DO NOT just throw them in the trash. Shred your documents to protect your identity.

DON'T LET IT HAPPEN TO YOU

Criminals are scheming to steal your money or your personal information. These crooks are clever and are always coming up with new scams and twists on old ones in order to swindle people out of their money.

It is often difficult to figure out if a request from a person or business is legitimate or a scam. It is important to become educated on how to avoid becoming a scam victim. Your Sheriff's Auxiliary Volunteer's Scam Squad continues to work hard to help you stay on top of these ongoing deceptions.
