JUNE 2024

Message from the Board

To Our Residents and Their Families:

We have again come to the end of another season. The Board will not have another regularly scheduled meeting until October.

With summer coming we have a couple of projects that you need to be aware of. The first is the pool. We had scheduled to have the pool deck replaced the first week of May. During that time, we were planning on doing routine maintenance and inspections so that the pool would not be shut down a second time. Unfortunately, the inspection revealed that we had a lot of areas that had voids under the lining. Because of this we will need to reline the pool. It has been 14 years since this has been done, which is longer than most linings last. We got competitive bids and were lucky that the successful bidder can start almost immediately. If things go as planned, the pool should be reopened by the end of May. The vendor has advised that we should not use the pool heater for the first 30 days. Thus, the pool might be a little chilly for a few days. The pool will then be shut down for about a week later in the summer to redo the deck. Please watch for updates on the schedule.

Another project will be the replacing of the carpet and blinds in the clubhouse. This is scheduled to happen the second week of June. No activities in the clubhouse will take place during this time. Again, watch for any updates to the schedule.

We are still looking for volunteers for the Nominating and Financial Review Committees. If interested, please let the Office know.

Stay safe this summer and we will see you all this fall.

Mark Rolfes
PEHOA President

PUEBLO ESTATES HOMEOWNER'S ASSOCIATION, INC
145 West Aliso Drive, Green Valley, AZ 85614
HOA BOARD OF DIRECTORS & HOMEOWNER'S MEETING MINUTES
Thursday, May 16, 2024

The meeting was called to order at 9:00 am by President Mark Rolfes. Board Members present: Mark Rolfes, Brian Martig, Jack Vishner, Sue Johnson, Karen Halasz, and Don Berghauer. Board members absent were Michael Dozark, George Hyslop and Bob Robinson. The minutes from the April 18, 2024 meeting were approved.

President Mark Rolfes welcomed everyone and stated this was the last meeting of the season and Board Meetings would resume in October. Mark reminded the members in attendance that the HOA runs on volunteers and people are always needed for various committees.

Ongoing Projects:

1. Brian reported the pool was replastered approximately 14 years ago. Average lifespan for plaster is approximately 10 years. The repairs to the pool are scheduled to begin on Saturday, May 18. The repairs will take anywhere from 2 – 6 weeks. They are hoping the pool will reopen by the middle of June, maybe earlier. For the first month after the pool is refilled the heater cannot be turned on.
2. The new decking around the pool has been rescheduled for the week of July 15th. This will close the pool for one week.
3. Carpet and Blinds Replacement. The Clubhouse will be closed on from Friday, June 7 – Friday, June 14. The blinds, which were installed in 2005, will be taken down and replaced on June 7th. The carpet is scheduled to be ripped up and new carpet installed starting Monday, June 10th. The Library, Ceramics, and Billiards rooms will be open.

Budget: The Financial Reports and Budget Summary were made available to the Residents at the meeting. Jack reported our gross income for the month was \$42,285.60, including \$5,167.15 of non-cash income (not collected). Transfer Fee income for the month was \$1,750 which represents 7 properties sold. Expenses include \$12,426.58 for payroll which is comparable to last year. Repairs and Maintenance are slightly higher than planned due to scheduling some work to be performed prior to the heat of the summer and to coordinate with other major work being performed in the clubhouse and pool area. For the month ending April 30, 2024, financials reflect a net profit of \$2,306.26, however, included in this amount is the \$5,167.15 of non-cash income. Without the non-cash income, we would reflect a loss of (\$2,860.89). Investments include \$130,955.80 in Money Market funds and \$450,000 in insured CDs. A new \$100,000 CD has been purchased for a period of 6 months at a rate of 5.25% using some of the proceeds of the maturing \$150,000 CD which resulted in additional cash in the Money Market accounts.

Delinquencies include 27 property owners owing funds to the HOA. Twenty of these owe one month or less. Another three owe two months and one owes three months. The following is the status of the remaining three:

- Payment plan – Amount owed \$2,292.00
- HOA foreclosure auction in April \$64,695.02 – Foreclosure Default Judgement paid in the amount of \$52,091.86 not yet reflected on statement. This satisfied the Foreclosure order but does not pay all outstanding debts. Legal fees incurred after 10/8/2023 are also not included in the total amount still due.
- Action to foreclose has begun – amount owed \$10,176.50

Director's Reports: Sue reported the kitchen stove and oven are scheduled to be professionally cleaned. The refrigerator temperature is not accurate and they are working on trying to correct it. The next Topics will cover June, July, and August. Activities will continue thru the summer, so come out and have some fun! Remember the Topics is also posted on our website.

Brian reported that new lights have been installed at the RV lot. The Clubhouse hallway, the entrance walls off La Canada and the curbs around the clubhouse have been painted. The kitchen will be painted after the deep cleaning of the oven area.

Don is currently filling in for George, who is on vacation, and just reminded everyone to fill out an Architectural Form for approval prior to any work being done. In the Conformance area, weeds are still a problem. He also sent out 31 notices for pole lights not working.

Karen reported that the landscaping for the area where a plaque will be placed for Katrina is almost completed. Plants and flowers have been planted and should flourish. There are a few areas around the clubhouse where rock will be added and the weeds have been sprayed. If any residents need help with Christmas lights this coming season, contact Sue or the office and we will add you to the list.

Resident comments: Chip Childers stated that he put together an ad hoc committee to investigate solar energy options. A proposal will be presented to the Board sometime in the Spring.

Barb Coan inquired about possibly having security or a neighborhood watch committee especially at night. The Board stated that it had been tried several times in the past but never had much of a response. If anyone sees anything suspicious or people who they do not think belong in Pueblo Estates, they should call the Sheriff's office.

The meeting was adjourned at 9:50 am.

Respectfully Submitted,

Kathy Vialonga
Office Assistant

Due to the replastering of the pool, the pool will be closed for 4-6 weeks. We anticipate the pool reopening sometime in early June.

The hot tub is open!

Medicare Guidance

MY COMPLIMENTARY SERVICES INCLUDE:

NEW TO MEDICARE:

Whether you are just now turning 65 or leaving group coverage to start your Medicare benefits, you'll need guidance in this new health insurance platform. I can help with the following:

- Assisting you with your initial Medicare enrollment
- Signing up for Medicare Part A and B (as needed)
- A detailed comparison of plans, benefits, costs & coverage
- A prescription drug analysis to help identify the plans with the lowest liabilities
- Navigating provider networks and identifying which plans your doctors accept

SUBSIDY ASSISTANCE:

Many seniors on fixed retirement incomes will qualify for financial support through state and federal programs. Here's how I can help:

- Determine your eligibility for Part B premium reimbursement
- Look at federal prescription subsidies & insulin savings programs
- Navigate possible patient assistance programs for expensive brand name drugs
- Medicaid (AHCCCS) support for those who qualify for \$0 medical cost sharing

NEW ARIZONA RESIDENTS:

If you are new to the Grand Canyon State, you'll need local expertise to understand Arizona provider networks and local plan designs:

- Learn about your Supplement (Medi-Gap) guarantee issue rights
- Discover the rich medical and ancillary benefits available with AZ Advantage plans
- New resident Social Security and Medicaid support (for those who qualify)
