

WITNESSING TOOL

The "Emergency" box is used to get the attention of family and friends.

"I love the two-tier approach to the Kit - a useful witnessing tool now for our families and friends as well as a vital source of information, understanding, and possible redemption for those left behind. The Kit will easily become a conversation item, opening up many doors for sharing the Gospel of Jesus Christ. What a small cost for such a great investment in the lives of others"

— David Shaffer, Director of Son Shine Ministries, Azel, TX

"Whatever questions you may have regarding the Rapture, you should find them answered here. It is my fervent prayer that, after reading the pages of this book, you, yourself will be able to answer that all important question, "Are you Rapture Ready?" ...with a definitive "YES!"

— Dr. Tim LaHaye,
co-author of the Left Behind series

"Are you Rapture Ready?" points to God's specific promises to believers in Christ that they can look forward with joyful anticipation and assurance to the pre-trib rapture. Additionally, the book is designed to powerfully witness to folks after the rapture has taken place."

Todd Strandberg, co-author of the book *"Are you Rapture Ready?"*

"This particular Bible is specially designed to help you understand, discover, and deepen the personal relationship that God wants to have with you. Remember, sin will keep you from this book, but this book will keep you from sin. Don't let anything keep you from spending time each day in God's Word."
