Recommendations for the November 5, 2024 Election

Our Beliefs

We believe in God Almighty, the Creator of Heaven and Earth, who holds absolute authority over all of His creation. True freedom is not granted by governments or institutions but comes first from within, won through the sacrifice of Jesus on the cross.

We stand firm in the truth that our freedoms come from God, not man. We believe that all innocent human life is sacred and must be protected. We uphold the value of the traditional family unit as the cornerstone of a thriving society.

We support tax relief for hardworking families and small businesses, recognizing that they are the backbone of our economy. We believe in the right of parents to choose the best educational path for their children. And we proudly support the Second Amendment, affirming every citizen's right to keep and bear arms.
