

## **Event Support Volunteer (ALL AGES)-Animal Advocacy**

### **About The Underground Rainbow**

The Underground Rainbow is a large community contingent advocating for the animals in Spokane County and surrounding areas.

At the present time, we are deeply concerned with many disturbing happenings at SCRAPS (Spokane County Regional Animal Protection Service).

We will continue to bring the wrongdoings of SCRAPS into the limelight by providing facts, backed by proof, until the laws, ordinances, and contractual obligations are upheld including the killing of animals, the unethical and dishonest practices by SCRAPS Leadership, the retaliation and discrimination by SCRAPS Leadership, and the false narrative being dispersed throughout the community.

Our mission is to advocate for the welfare, protection, and rights of domestic animals by being a vigilant and compassionate voice, raising awareness, providing education, and advocating through factual dedication.
