

CONTROLLER

On behalf of our client, Lotus Terminals, we are searching for a Controller to join their team. Lotus Terminals Ltd. is an active local family-owned and operated asset-based freight and transportation enterprise based in Surrey BC. Established in 1980, from humble beginnings, Lotus Terminals has built a team of experienced and caring professionals working out of our state-of-the-art 10-acre facility that features various freight handling equipment with heavy weight capacities, overhead cranes, laydown areas, reefer plugs, and a government certified 80' platform scale. Lotus Terminals strives for perfection and aims to be their customer's go-to source for complete freight management solutions.

Reporting to the CEO, the Controller will be an integral part of the team and responsible for managing the overall accounting operations of the organization. This is a tremendous opportunity for a finance leader who enjoys a stable environment and is energized by adding value to the business through developing best practice accounting systems and guiding the company's financial decisions. We are seeking a collaborative and proactive individual with strong analytical skills who is not afraid to roll-up their sleeves to get the job done.

Responsibilities:

- Manage the day to day accounting practices
- Provide strategic leadership and direction in all aspects of the accounting operations
- Develop and document business processes and accounting policies to strengthen internal controls and manage risk
- Provide leadership to the organization and leverage/develop the company's financial tools/reports
- Oversee and manage the financial reporting, budgets, tax and financial statements, and other pertinent financial activities
- Ensure business risks are appropriately communicated and monitored
- Prepare and maintain financial metrics
- Analyze and advise on revenue, expenses and balance sheet items
- Cash flow management and forecasts
- Prepare monthly/annual financial statements for internal and external stakeholders
- Prepare quarterly and annual GST statements
- Monitor and analyze monthly operating results against forecast/budget

Skills & Qualifications:

- Post-secondary education with a minimum of three to five years of financial management experience
- CPA designation
- Ability to recognize and communicate efficiency opportunities and implement new processes
- Advanced analytical, interpersonal and communication skills
- Experience within the transportation and logistics industry an asset
- Strong understanding of IT systems and proficient with all Microsoft products
- Excellent understanding of financial management, cost accounting, accounting principles and internal controls
- Improvement oriented and focused on identifying business operating efficiencies

Values

- *Authentic Communication*
- *Passionate Progress*
- *Exceeding Expectations*
- *Achieving Excellence Together*
- *Positively Impacting Communities*

- Demonstrated leadership background with the ability to communicate financial information and influence positive change
- Proven ability to develop strong relationships based on trust and integrity

This role will appeal to a results-oriented and self-motivated individual who can work collaboratively in a dynamic environment. If you are someone who has demonstrated delivering high-quality results sets a positive work culture for the organization, we want to hear from you!

We thank all candidates for their interest however only those selected for an interview will be contacted.
