Little shoeshine boy never gets low down but he's got the dirtiest job in town

Bendin' low at the peoples' feet on the windy corner of the dirty street

When I asked him while he shined my shoes how'd he keep from gettin' the blues

He grinned as he raised his little head popped a shoeshine rag and then he said

## **Repeat Chorus—**

A jumping Rhythm makes you feel so fine

Well I sat down to listen to the shoeshine boy and I thought I was gonna jump for joy

Slapped on the shoe polish left and right he took a shoeshine rag and he held it tight

He stopped once to wipe the sweat away I said you're a mighty little boy to be-a workin' that way

He said I like it with a big wide grin kept on a poppin' and he said again
