

To my UBCC family,

After prayerful consideration, and counsel, I and the Church Cabinet have decided to adhere to the guidelines set forth by the government in response to the Coronavirus. My primary concern is the physical health and spiritual welfare of our members and families. Therefore, UBCC will be suspending all services, rehearsals, and meetings at the church until further notice. I did not enter into this decision lightly, we are all called to walk by faith and not by sight, and we have to take into consideration Godly wisdom. With that being said, God has blessed us with technology that allows continued fellowship via live streaming and telephone! I am asking that those who are technically astute to gather at the homes of their senior family members and live stream the service as we check on our loved ones. Our services will be abbreviated, and then the family can enjoy Sunday dinner and fellowship together. Tina and I will be calling members on a regular basis to make sure we stay abreast of their needs and prayers. I am asking everyone to participate in making those calls.

I encourage you all to stay in prayer for our entire world and know that God is still in control. We will be experiencing a new normal, but we will "Hold to God's Unchanging Hand" while patiently enduring this season as it too shall pass. I love you all, and please let me know if you need any assistance during this time. We will make the best of this situation, and everyone stay prayed up and let's run on in Jesus' name!

We will be live streaming **Sunday Worship Service at 10:30 am** and **Wednesday Night Bible Study at 7 pm** via the link below. There will also be a dial-in number for those that prefer to listen only.
