JULY 2024

MOMMY & BABY-LIVE WELL, BE WELL NEWSLETTER

MESSAGE FROM OUR CEO

I would like to express sincere gratitude for all the support Our Daily Bread Community Outreach Center Inc. (ODB) has received from our sponsors/partners. Since our inception, we have not only increased maternal health but we have fostered leadership among the next generation. Thank you for your continued investment in ODB's organization. With your support, we are building mature, professional, and successful leaders.

Lea Kyle Lewis, Founder & CEO

WHO WE ARE

ODB is a faith-based non profit organization dedicated to supporting youth, young adults, and pregnant mothers. Our primary focus is education and leadership. We envision a community who is whole, successful, and thriving.

2023 OUTCOMES

- In 2023, ODB served 75 pregnant mothers.
- 96% of 75 mothers delivered healthy babies between 37-40 weeks.

CLIENT SPOTLIGHT

Our client, Monifa Johnson, participated in the Mommy & Baby Program for four years. During her time in the program, Ms. Johnson diligently followed through with referrals, connected with community partners, and set realistic goals. Remarkably, she also founded a nonprofit agency called Men Stand Up, which supports men as they transition out of prison.

EMPOWERING EDUCATION: THE ODB SCHOLARSHIP PROGRAM AND SUCCESS STORIES

In November 2006, Masasha Murray became a participant in the Reach One, Teach One Mentoring Program. As a dedicated mother of three, Ms. Murray has

been tirelessly pursuing a Master in Education, with her graduation set for May 2025. At ODB, we strive to build a generation of leaders and strongly encourage our participants to pursue higher education. Recognizing the importance of investing in both our former and current participants, we launched the ODB Scholarship Program in 2017. This program supports not only youth but also mothers like Ms. Murray in their educational endeavors. Open to both current and former clients, the scholarship applications will begin on November 9, 2024. Through these efforts, we continue to foster growth and success within our community.
