

Program Goals

Live Well, Be Well Prenatal Care Coordination Program (PNCC) and Childcare Coordination (CCC) was established to support mothers with ongoing resources, education, workshops, training and much more.

- Reduce infant mortality and improve baby survival rates
- Eliminate health disparities that impact our communities
- Promote equity in healthcare, education, and housing
- Support healthy lifestyles before, during, and after pregnancy
- Improve birth outcomes for mothers and babies

Healthy Birth Outcomes:

2024-98% healthy birth outcomes
2023-97% healthy birth outcomes
2022-95% healthy birth outcomes
2021-95% healthy birth outcomes
2020-93% healthy birth outcomes

In 2025, ODB aims to achieve 100% of healthy birth outcomes.

Our referral network includes the following providers and organizations:

Ascension St Joseph	CareNet
Froedtert Hospital	MHS Health Plan
Access Wisconsin	United Health Plan
Blanket of Love	Chorus Com Health Plan
Baylor Family Clinic	Pregnant and Parenting Youth (PPYP)
Impact 211	

About Us

Our Daily Bread Community Outreach Center, Inc. (ODB) is a 501 C (3) non-profit organization that was founded in November 2004 by Lea Kyle- Lewis. Our mission is to build mature, independent, and professional individuals for leadership.

Our Values

Love

We serve with compassion, care, and a deep commitment to meeting your needs.

Integrity

We treat every person with dignity and respect, maintaining honesty and a positive spirit in all we do.

Excellence

We strive for the highest quality in all we do, staying flexible and responsive to the needs of our families and community partners.

Transparency

We believe in open and honest communication—keeping you informed every step of the way and building trust through clarity and accountability.

What is Prenatal Care Coordination (PNCC)?

Prenatal Care Coordination (PNCC) is a free program through **Medicaid and BadgerCare Plus** that supports pregnant women in accessing the care and services they need for a healthy pregnancy and lifestyle. There are no copayments for this program.

Once enrolled, you'll be connected with a Community Health Worker who will take time to get to know you through personal assessments. They'll learn about your current and past pregnancies, health history, relationships, and any concerns you may have—so they can help support you every step of the way.

Member Reflections

"I've received more family assistance, particularly from Ms. Lewis, than from any other resources or family members. This is one of the most supportive and sincere groups of wonderful people"

- Lena F.

What Our PNCC & CCC Programs Offer

Our Daily Bread's Prenatal Care Coordination (PNCC) and Childcare Coordination (CCC) programs provide comprehensive case management services to support moms and families through every stage of the journey. Program components include:

- ✓ Regular Home Visits for personalized care and support
- ✓ Breastfeeding Education & Doula Services
- ✓ Nutrition Education to promote healthy habits
- ✓ Parenting Classes to build confidence and skills
- ✓ Reproductive Lifespan Guidance
- ✓ Engaging Community Events that bring families together
- ✓ Connection to Trusted Resources through our Referral Program
- ✓ Baby's Corner offering free baby clothing and essentials
- ✓ Gifts for Moms in our Mommy Support Group
- ✓ "A Better Me" Support Circles for growth and healing
- ✓ Dedicated Community Health Workers to walk with you every step

What is ChildCare Coordination(CCC)?

ChildCare Coordination (CCC) connects new mothers and families with the support they need after childbirth. This free benefit through **Wisconsin Medicaid and BadgerCare Plus** helps coordinate access to medical, social, educational, and vocational services based on each family's unique needs.

Available in Milwaukee and Racine Counties, CCC services begin with a DHS-approved risk assessment completed within eight weeks of birth, ensuring families receive the right care at the right time.

A Better Me Mommy Support Group

A Better Me Mommy Support Group aims to help mothers combat mental health challenges to support them with community resources, referrals, low cost social activities and more.
