Ernest Schweit showing this Saturday May 7 at MayFest in Grayslake.

He will be showing new prints, including "Watson Sunset," framed photos, images printed on aluminum, and copies of my book, "Wisconsin Barns," at MayFest from noon to 4 p.m. Saturday in Grayslake.

"Watson Sunset" was made at Watson Lake outside of Prescott, Az. The lake

features huge orange and grey granite rock formations ringing the shore and, as you can see, amazing sunsets.
