LCAL Member Meeting; In-Person; Oct. 19, 7 pm

Maureen Holcomb, Featured Artist and Demonstration

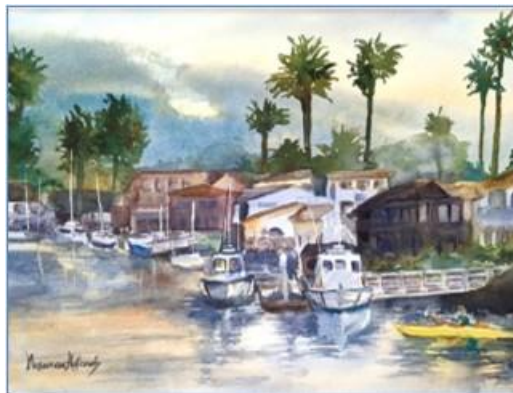

Our next member meeting is Oct. 19, 7 pm, at State Bank of the Lakes, 50 Commerce Dr, Grayslake.

Maureen Holcomb, our featured artist, will demonstrate how to paint grapes and how to mix various green colors.

Maureen is a native of Illinois. She studied regularly for more than 20 years under several Master Watercolor Artists and continues to hone her skills attending workshops and weekly classes. Her exceptional attention to detail and vibrant use of color make her watercolor paintings truly captivating. Her artwork has been acquired and recognized nationally as well as throughout the greater Chicago, IL area.

Maureen's art is inspired by the vibrant colors and delicate beauty of flowers, serene landscapes, as well as peaceful qualities of seascapes. She believes that art should evoke emotion and bring joy to those who view it, and that is what she strives to do with each piece.

Roger Shule Demonstration at LCAL Member Meeting Sept. 21

The art league started off their 2026/2027 season with a presentation by longtime member, artist [Roger Shule](#). Roger presented a step-by-step process on how he creates his infamous, fun, interesting and well-executed “matchbook art.” He started off explaining how he finds subjects and transfers the image to the wood boards he uses. Then the tedious task of assembling all the pieces that finally resembles an over sized matchbook.

What's Happening With Plein Air?

Fall is a great time to get out and plein air since the fall colors are so brilliant.

We had beautiful weather on our last few plein air events. We were able to paint at a private beach in Ingleside. We were also invited to the Barrington Area Arts Association (BAAA) plein air event at a flower market in Barrington.

Upcoming: A session is planned for Oct. 24, at the Adler in Libertyville. Information was emailed and over 20 artists are interested in attending. A beautiful grove of trees behind the facility, and the building itself will make great scenes for painting. You may set up outside, anywhere on the property. If the weather doesn't cooperate, we will paint inside and have the pleasure of painting the interior architecture.

Join: If you are interested in joining our plein air group, watch your email for our announcements, or join our group on the [LCAL Plein Air Facebook page](#).

Remember, events will only be posted several days in advance so we can monitor the weather.

If you aren't into painting outdoors, join our S-SOS group (see below) to socialize, share or sketch at a local restaurant or coffee shop.

Socializing! Sketching! Or just Sharing! (S-SOS)

This plein air group meets at various indoor locations when the weather is not conducive for exterior plein air. Meetings are also open to artists outside of our LCAL membership.

Each month, depending on availability, organizers and weather, we meet for coffee and participants can bring either something you've been working on to be critiqued, or sketching tools to capture the local scene. Or just bring yourself for fun discussions and socializing! Look for future announcements from LCAL in your email

Questions about or suggestions for plein air or S-SOS? Contact Deb Edmunds, Plein Air Director, edmundsdl@gmail.com.

Connections From the Top: Sandra Saxton, LCAL President

I started my one-year term as president in July and I was thinking about what I could accomplish in my position as President.

Our mission: The LCAL mission is to bring art to Lake County. One of the things I would like to do is to connect artists by creating more events for socializing with other art groups. This would give us more possibilities to exhibit our art in various locations. I am always open to suggestions from our members, with that goal in mind.

Plein air group: Our plein air group is growing and interest in participating has been increasing each year. For example, over 20 artists have asked to be included in the upcoming plein air event that we are partnering with at the Adler on Oct. 24th. (see previous page for more details.)

S-SOS group: Our S-SOS (Socializing! Sketching! Or just Sharing!) group meets throughout the year, giving artists a chance to share ideas, socialize or sketch at a local coffee shop or restaurant. Members and non-members are welcome to bring something they are working on, or they may want suggestions to improve their work. (see previous page for more details.)

Community: I'd like to see more interactions with local schools. Our group has so many talented artists and it would be great if we could share those talents with area students. With the cost of art supplies and individual classes, artists could contribute a few hours of their knowledge and expertise to those who cannot afford to take art classes.

And lastly, I would like to see more promotion of our organization throughout Lake County by spreading the word through posters and our brochures.

I am always available for your questions and concerns, so feel free to contact me with ideas that will advance our mission of bringing art to Lake County (cell phone 1-630-209-3544; email Saxton.songbirdstudio@gmail.com).
