Ministries for the Nations

## From Earth and Sky

**Osyio!** Greetings to you all in the mighty name of our risen Lord, Christ Jesus! First we want to thank everyone for your positive responses to this new ministry. The website is working "24-7" to bring the Gospel to the lost and hurting souls seeking spiritual guidance even in the wee hours of the night! Our newsletter will continue to bring you information as seen from an eagle's eye view.

Many birds can fly and see a situation from a good view point or from their side of the mountain. However, only the Eagle can fly high enough to get over and see the other side of the mountain. This means the Eagle can bring knowledge from both sides of the mountain.

The peace of our Creator God comes through all knowledge and trust in Him (**2 Peter 1:2**). That is the thrust of this ministry - to witness the Truth of our Creator to all peoples of this great land - from the view of the eagle.

### Protection

Two weeks after the people of the Jewish tribes were forced to leave their homeland (sound familiar?) in the Gaza strip, hurricane Katrina hit the Gulf Coast of America, bringing much destruction and many were forced to leave their homes. Some will never be able to return thanks to another storm, hurricane Rita, which brought more flooding to the lands.

We have heard some Elders say this is the judgments of God coming on the Nations that oppose Israel in the last days. (The Road Map to "peace" goes against God's plan for Israel!) The opposing view says this is just nature's upheaval and has nothing to do with a judgment from God and is the work of the evil one. This Elder has good news

for you. If you are a born again (*born spiritually from above*) child of our Creator God - you can have protection from these events! The two opposing sides (both sides of the mountain) are in agreement with one thing - our Creator - the Lord Jesus came to give us Divine protection in such events. We can know blessings while others know curses.

The Elder Moses wrote about the blessings and curses in the book of Deuteronomy chapter 28. We encourage you to read this. To enjoy the blessings we must first diligently listen to the voice of our Creator and be watchful to do all of His commandments. Thanks to the new Blood Covenant provided by our Lord Jesus, we now have only two very easy commandments to follow. They are found several places in the Bible - here is the words of Jesus as found in Matthew 22:37-40, "*Jesus said to him, you shall love the Lord your God with all your heart, with all your soul, and with all your mind. This is the first and great commandment. And the second is like it: You shall love your neighbor as yourself. On these two commandments hang all the Law and the Prophets.*"

Meditate on this Truth: If you love someone you will do as they wish because you want too - not because you have too!

### Native Teachings

The Elder Paul told the early Christians in 1 Corinthians 9:22 "...Yes, I try to find common ground with everyone so that I might bring them to Christ." NLT.

I was blessed last month to participate with an *Inter-tribal Sacred Circle* in a men's prison unit. These men had the utmost respect for the Creator God and they showed utmost respect for me while I was there. Thanks to their acts of kindness, I remembered the writings of James Adair in his book "*Out of the Flame*". Adair was an Irish trader who lived among the Indians (mostly the Cherokees) for forty years. In 1775 he wrote this book describing why he thought that the Indians were indeed one of the lost tribes of Judah (Israel). Most historians' consider Adair an authority on Indian cultures and history.

Are we (American Indians) the lost tribe of Judah? This is worthy of some investigation. We will be looking at some of Adair's writings and encourage you to seek from God your own personal revelations as to our heritage. Adair observed that the "Indian Americans" did not worship a plurality of gods, but pay their formal respect to **Loak-Ishtohollo-Aba**, "*the great, beneficent, supreme, holy spirit of fire,*" who they believed resides above the clouds and on the earth also with unpolluted people. They did not pay homage to celestial luminaries, dead persons, nor evil spirits. They kissed no idols.

Adair states that "*the ceremonies of the Indians in their religious worship are more after the Mosaic institution than of pagan imitation.*"

He noted many marks that enabled him to trace the Hebrew extraction and rites through all of the various nations of the Indians. These and other writings all point to the Creator God as the Messianic Hebrews know Him - Yeshua, or as the English call Him - Jesus!

We will explore this subject more in the months to come. May the peace of our Creator which passes all our understanding be upon you this day!

Wado and God Bless,

**Hebrews 5:14**

***Seek to mature in the Spirit so that because of use, your senses  
have been trained to discern both good and evil.***

Have you ever thought about the word “discern” much before? The Webster’s dictionary says to discern is “to detect with senses other than vision.” Most of us can see with our eyes if something is good or not. However, the important issues of life are not that easy to separate the good from the evil. Like the scripture above says we must first seek to mature in the Spirit. To seek means we must search out and make an effort to find what it takes to mature in that manner.

If you are a born again (born spiritually) believer, the Creator tells us that you are now a new creation! (2 **Corinthians 5:17-21**) What this means is that those who become Christians (Christ-like) become new on the inside. A believer is not the same anymore, the old life is gone and a new life has begun! A new life In Christ that gives us hope, not just any hope, but a *divine* hope for the future. A future that starts right now, here on earth!

The Bible says in **Romans 12:2** “Don’t copy the behavior and customs of this world, but let God transform you into a new person by changing the way you think. Then you will know what God wants you to do and you will know how good and pleasing and perfect His will really is.” NLT. You see there is more than to just be a new person on the inside. We have to let it take over on the outside as well. This change does not happen overnight. The good news is that now you have a Helper living inside of you to strengthen you and guide you in this process (**John 14:26**). He is the Holy Spirit of God. He will give you the power to overcome the troubles of life and teach you how receive all the wonderful benefits that Jesus has for us.

Let’s take a closer look at some of these benefits that are described in **Luke 4:18-19**. Last month we looked at this scripture and saw that one of the benefits is healing. Jesus was not talking about only restoring us to physical health but also to cause any undesirable condition to be overcome. In His ministry on earth, Jesus never refused to heal anyone. The bible says in **Matthew 12:15** that Jesus went about and *healed them all!*

**October-November Scripture Study: Isaiah 49:9-12; Isaiah 61: 1-3; John Chapter 14**

**Nuggets: Spirituality is defined by the Love of God operating in your life!**

What about the undesirable conditions, the disappointments in life that have left us with a broken heart? Jesus tells us that He came to heal the broken hearted too. He knows that emotional hurts and disappointments can hurt worse and last longer than physical injuries.

Jesus loves you so much that He wants to heal you everywhere you hurt. Now that is Good News! However, the best part is that it doesn’t stop there. These benefits include healed relationships, prosperity, deliverance, freedom and liberty!

There is so much to learn about our benefits for an abundant life (**John 10:10**). That is why the Lord has instructed this ministry to bring this Good News to all nations of this land. *May God, the glorious Father of our Lord Jesus Christ give you spiritual wisdom and understanding so that you might grow in your knowledge of God; I pray that your hearts will be flooded with light so that you can understand the wonderful future he has promised to those he called. I want you to realize what a rich and glorious inheritance he has given to his people.”* **Ephesians 1:17-18 NLT**

A little squirrel lived in the forest. He didn't listen to the Elder squirrels in his community. They tried to teach him the wise ways of the world and the traps of the forest. The little squirrel decided that he was going to play all of the time and not listen to the Elders' advice.

One day the little squirrel was playing on the edge of a great river. He had been warned to never play there alone. He looked around and did not see anything dangerous, so he decided that the Elders' warnings were silly. The air was cool, and the water looked like so much fun. He did not realize he had fallen into the first trap – the lust of the eye - it looked good. The Bible tells us the *world offers only the lust for physical pleasure, the lust for everything we see, and pride in our possessions. These are not from the Creator. They are from this evil world.* **1 John 2:16.**

The squirrel looked across the river and saw a tree with the biggest acorns he had ever seen. The only problem was – he could not swim. Then he saw a fox come out of the forest and sat down under the tree with the big acorns. The fox then yelled out to him “hey little squirrel, can you see these big acorns, swim over here and eat some with me – there are plenty for both of us.” The squirrel said “Oh no, you don't fool me. You don't eat acorns. You eat squirrels!”

The fox answered – “oh no, I can't eat squirrels, they make me sick. I eat acorns now. Acorns are good for me.” This was the second trap. He listened to lies. Because he didn't listen to his elders, the squirrel had not matured in the spirit to know the difference between the truth and a lie.

The fox knew the squirrel couldn't swim so he said “I will swim across and carry you back on my head. We will have a great time eating the acorns.” The squirrel was still a little afraid but he

wanted the big acorns so-o-o-o bad. This was the third trap – greed. The squirrel thought to himself “I can grab a few acorns and run up the tree until the fox goes away – just in case.” The squirrel said ok to the fox and the fox swam over to the other side.

The squirrel climbed on the top of his head and half way across the river the fox suddenly snapped his head up and swallowed the little squirrel. The squirrel yelled from inside the fox “Fox, you said you didn't eat squirrels.” The fox replied “you knew I was a fox when you climbed on my head.”

It is the evil one's desire to lay traps for us. Listen to your Elders. Take their advice. Read the Bible every day. Pray to our Lord Jesus every day also. He is a good God and He loves you very much and does not want you to fall into the traps of this world.

**Psalms 91:3, *That's right - he rescues you from hidden traps, shields you from deadly hazards. MT***

## To enter the Blood Covenant

*(To be Born Spiritually-from above)*

If you would like to make the wonderful decision to make Jesus the Lord of your life, simply pray this prayer: Heavenly Father, I come to You in the Name of Jesus. I pray and ask Jesus to come into my heart and be Lord over my life according to **Romans 10:9-10**, *“For if you confess with your mouth that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved.”* I do that now. I confess that Jesus is Lord, and I believe in my heart that God raised Him from the dead.

Lord Jesus, fill me now with the power of your Holy Spirit as your word says in Acts 1:8, and I will never be the same, in Jesus Mighty Name. AMEN!
