## New Life

Osyio, (hello) it is in the name of Yeshua that we wish blessings upon you this spring. For our new readers, Yeshua ('Yah-shu-ah') is the Hebrew tribal name of Jesus. First Nations people respect & use the tribal names of all people as each tribal name has a special meaning. Because of this we use the Hebrew name of Yeshua. It was his proper name given to him by his parents (*remember his momma, a Hebrew, was told what to name him from the angel, Gabriel*).

Next month the Christian faith will celebrate Easter or Resurrection Sunday. Something very significant happened about 2,000 years ago, something that permanently changed the world. That something was an empty tomb! Three days after Yeshua was crucified – He rose from the dead.

What is so significant about the resurrection of Yeshua? He is the only person in all recorded history as having risen from the dead. No other prophet, king, or “god” can claim this feat. It is recorded that the Apostle Thomas doubted His “resurrection” so much that Yeshua had to prove to Thomas by allowing him to reach into the hole in His hand and His side (**John 20:25-28**).

The word “Resurrection” means the “act of rising from the dead.” The Bible tells one of the reasons why this was so important in

**Acts 17:31:** For He has set a day for judging the world with justice by the Man He has appointed, and He proved to everyone who this is by raising Him

## From Earth and Sky

*from the dead*” NLT, (*emphasis mine*). This same resurrection power in Yeshua is available for us too! To tap into this power we must constantly be changing the way we think by renewing our minds with the Word of the Creator. (**Romans 12:2**)

This news may sound new to some of you. Our prayer is that you can spend time alone with the Creator and ask Him if this is so; let Him speak to your heart.

This spring we will celebrate the new life of our Creator’s earth. From the spring flowers to the new birds of the air, let us all give thanks for everything good in our lives and on the earth. Let us also use this time to celebrate the new life that Yeshua gave us on that lonely hill so many years ago. By His shed blood we now have a new covenant with our Creator God.

By accepting Yeshua as our Lord (not just a savior) His Blood Covenant includes an abundant life of healing, prosperity, deliverance and freedom from past hurts. This abundance can start right now here on earth for those that choose to believe! (**John 10:10**)

## Native Teachings:

Who discovered America? If you still believe that Christopher Columbus “discovered” America, you may need to wake up and smell the coffee 😊. The word “discover” in the dictionary means “to gain sight or knowledge of for the first time.” When the European, Columbus, arrived, our people were already here! Again, I ask – who was first to gain sight to this land?

Whether you believe Columbus first arrived in 1492 AD, or the Chinese in 1418 AD, the fact remains that the native tribes of this land were already

here with established cultures, government, language and a form of worship to one true Creator God. We were not unlike our new visitors – we just did not speak their language nor read the same “books” they did (example – the New Testament Bible).

Did the Creator just “zap” man on each continent of the earth? Of course He is God and can do that but that doesn’t mean He did! If so would He not

have told us in the Bible? If we look at **Genesis Chapter 10** we are told of all the nations that were descended from Noah and his sons after the great flood. Note that in verse 32 the Creator tells us “*These were the families of the sons of Noah, according to their generations, in their nations; and from these the nations were divided on the earth after the flood.*” NKJV.

From this rises the theories that the “first” people to gain sight of this land actually came from one of the twelve tribes of Israel. They may have started their journey after the fall of Jerusalem in 70 AD (or before). At this time ten of the twelve tribes of Israel were exiled and scattered to all parts of the earth. The tribe s of Dan & Zevulun in particular were lovers of the sea and it is possible they could have been the first to arrive by boat. If so would there not be similarities in culture, government, language and worship? We are excited to report that even the current day Hebrew scholars agree that there are many similarities indeed! The “phonetic” language of the Cherokee is almost identical to the Hebrew language in many cases.

Why did America persecute the Indians? What does the common background suffering of the Indians and the Jews teach us about the future?

We will answer these and other questions in our next newsletter. Until then, please know that Yeshua loves you and so do we!

God Bless, *Grandmother*

## Breaking the Poverty Cycle - Part II

In our last newsletter we learned that our Creator God does not want us to be enslaved to poverty. In fact, Yeshua told us that He came to bring Good News to the poor in **Luke 4:18**. If you are suffering from a financial need in your life then this will be your good news: *God wants you to be poor no more!*

The Creator is looking for people He can **trust** with His riches. You must first change your old ways of thinking by renewing your mind to the Word of God, then you can know God's Will for your life (Romans 12:2-3). Will God give just anyone this prosperity? No, and that is a good thing. Facts show that many lottery winners have had the sudden increase in money destroy their lives because they did not know what to do with it. Their minds were focused on the lusts of the world and they quickly lost the money, lost their families and even some lost their lives.

Yeshua tells us in **Luke 16:10-12** "**Unless you are faithful in small matters, you won't be faithful in large ones. If you cheat even a little, you won't be honest with greater responsibilities.** And if you are untrustworthy about worldly wealth, who will trust you with the true riches of heaven? And if you are not faithful with other people's money, why should you be trusted with money of your own? Again in **Luke 19:17** we see a faithful servant that because he was faithful with the little - the King made him a rich man! (also see **I Corinthians 4:2**)

Are you a believer in Christ our Lord and still stuck in the poverty cycle? Are you in debt with no light at the end of the tunnel? Please take this in love – look in your spiritual mirror. Look at your finances. If you are not tithing ten percent to your local church with the little that you have, then how can God trust you to tithe ten percent with His riches? Tithing is not an option for the born again believer – it is an oracle of God! If you think

you can't afford to tithe – let me promise you this: you can't afford not to tithe!

I am not your pastor (praise God 😊) and I am not asking for your money. This is a spiritual law of God. I am sharing this information for your good and to help you break your poverty cycle. If you do not trust God then why should He trust you? Start today by giving ten percent to God.

If you physically do not have it in the bank now, give what you have and promise the Lord that you will give ten percent next paycheck – do not look at your circumstances – look to God. God looks at your heart – He will know if you mean what you say and He will know when He can trust you. The windows of heaven will then be opened to you and you will break the poverty cycle in your life and in the lives of your loved ones! In **Malachi 3:10** God even says "...*try it! And let me prove it to you!*" NLT.

Let me encourage you to tithe because you **want too** – not because you **have too**. By doing this you will please God. Let the Creator prove this to you and you will be blessed indeed!

White Eagle News congratulates Rabbi Wolf Brother (aka Lazer Beams) of Ashdod, Israel. Rabbi Lazer received the Silver medal award from the Jerusalem Post for his series on the **Trail of Tears**. You may access his article on our website or if you do not have access to a computer please contact us and we will gladly send you a copy free of charge.

Rabbi Lazer has been a blessing to this ministry. He has wolf medicine and soars with the eagles! Because of this award, many in Israel have a new found respect and love for the First Nations people of this country. We give thanks to our Creator for Rabbi's ministry and may he continue to receive all that God has for him!

What is astounding is that the Rabbi Wolf Brother is an orthodox Jew, Dean of a Rabbinical college and knows that I am a Cherokee Christian. He has acknowledged that I am connected to the Truth and ours is a divine friendship that only HaShem (the Lord) could have created. We focus on our common beliefs that the end of days are upon us and that we should be praying for Israel more than ever. Rabbi Wolf knows we are a friend to Israel and prays for us as we pray for them!

This ministry is also a member of *Christians United For Israel* (CUFI). Israel has a Bible mandate to their land and should not be pressured by anyone or any government to give away what God has given them.

## To enter the Blood Covenant

*(To be Born Spiritually-from above)*

If you would like to make the wonderful decision to make Yeshua the Lord of your life, simply pray this prayer: Heavenly Father, I come to You in the Name of Yeshua. I pray and ask Yeshua to come into my heart and be Lord over my life according to **Romans 10:9-10**. "*For if you confess with your mouth that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved.*" I do that now. I confess that Jesus is Lord, and I believe in my heart that God raised Him from the dead.

Lord Yeshua, fill me now with the power of your Holy Spirit as your word says in Acts 1:8, and I will never be the same, in Yeshua's Mighty Name. AMEN!
