# Corporate Separator Program

1

Session 1: What is a separator and what are the traits and characteristics that an “outside of the box” thinker must obtain to transform their life and performance?

2

Session 2: Learning how to achieve a growth mindset that allows you to better yourself every day. Unlock the secrets to consistently evolve your crafts in life.

3

Session 3: Time maximization. Everyone gets 24 hours in a day. It is vital to individuals about getting the most important work done to harness long term success. Learn to block distractions, have a specific plan, and execution.

4

Session 4: Energy maximization. People and money follow powerful energy. Obtain the four key sources of energy (physical, emotional, mental, and spiritual) for achieving peak performance.

5

Session 5: Resilience. Every day in the workplace and in our personal lives we face obstacles. One must be able to assess, adapt, and grow from these challenges. The ability to not just survive, but to thrive in life’s storms is a mandatory skill to master.
