Jimmy Albuquerque hasn't always acted in the health area, live for more than 40 years in the United States, where he opened the first Brazilian Real Estate in Florida, due to good influence in the community, was considered until applying for a public office, but something happened and changed the course of its history. A diagnosis of brain cancer, Glioblastoma Multiform in a well-advanced state, Grade 4, which according to conventional medicine, there would be no possibility of healing, however his son Philip Albuquerque, sought other alternatives and discovered a natural treatment and after the assessment of his living blood, Jimmy started cleaning up his blood,

through alkaline feeding and natural supplements.

After his healing, he became interested in learning, took the course of morphology, microbiology, homeopathy and therapist.

The morphologist Jimmy Albuquerque has a mission, lead through his knowledge and experience of life, the good news, it is possible to heal!

• **JIMMY, YOU WORKS ON YOUR OFFICE AND DO THE BLOOD ANALYSIS, HOW IS IT DONE?**

Live Blood Analysis is made with just a drop of blood,

withdrawn at the time, and through the microscope I identify and show the patient through the computer screen, the anomalies or discrepancies, which cause the diseases and only then suggest the necessary treatment, feeding and Herbal supplements.

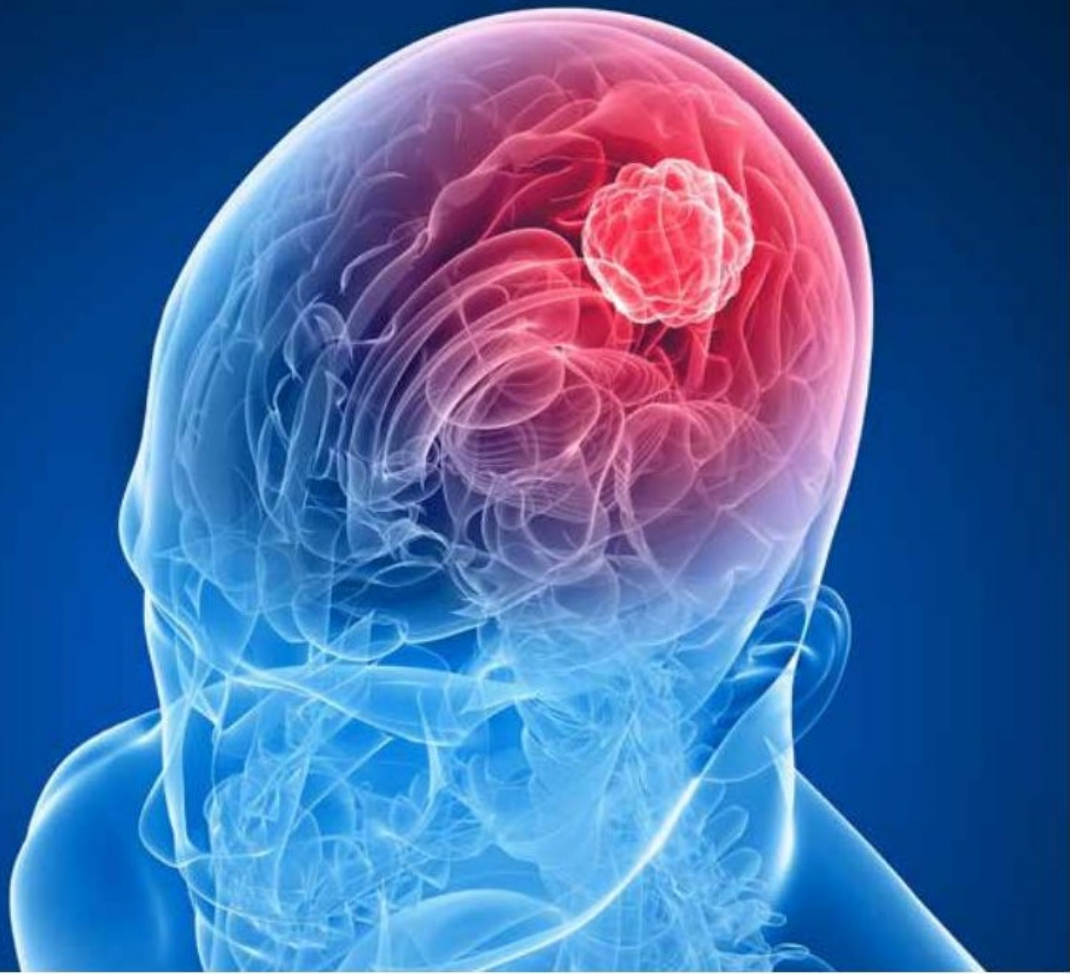

• **HOW WOULD THE CLEANING BE?**

Alkaline feeding, an alkaline body does not get sick and herbal supplements, mostly processed in the United States.

• **THEN THE PATIENT COMES OUT WITH A TREATMENT INDICATION AND HE CAN GET STARTED IMMEDIATELY?**

Yes, many times when they seek me already have a diagnosis, but do not know what causes and it may

LETAL.

occur that the patient will make the appointment, think that is well and I can identify something that can manifest soon.

• **WOULD THIS ASSESSMENT BE INDICATED FOR ALL PEOPLE, EVEN AS A PREVENTATIVE FORM?**

Exactly, many illnesses take time to manifest and with the evaluation of the living blood, we will know if the person is going to die of old age or if they will have some disease.

• **YOU'VE CURED YOURSELF OF A BRAIN CANCER IN A WELL-ADVANCED STATE, GRADE 4, AND PEOPLE HAVE COME TO KNOW YOU AND LOOK FOR YOU MOSTLY TO CURE CANCER, BUT CAN BLOOD CLEANING HELP CURE**

OTHER DISEASES AS WELL?

It's simple, there's no disease that stays in a person if your blood is clean!

• **YOU MEAN, EVEN DEPRESSION, MIGRAINES, HIGH BLOOD PRESSURE, DIABETES, AUTOIMMUNE DISEASES, AMONG SO MANY OTHERS?**

Yes, even when the case is depression people have a special attention, because I am also a therapist, we have several testimonials on YouTube of cures of various diseases, not only of cancer.

• **BUT THE CANCER HAS INCREASED DRASTICALLY, ACCORDING TO DATA FROM THE WORLD HEALTH ORGANIZATION (WHO) RELEASED IN 2017, 8.8 MILLION**

PEOPLE DIE OF CANCER PER YEAR IN THE WORLD, TO WHICH YOU ATTRIBUTE THIS INCREASE OF THE DISEASE?

Because our body loses the ability to adapt and is vulnerable to various diseases, especially genetically modified foods, pesticides and the change of metabolism. There are also some "enemies" that favor this imbalance.

• **JIMMY, IT'S EASY TO CURE CANCER?**

Yes, everything that lives must eat and if we cut off its food, it will die! And we already know what feeds the cancer, so the first thing is to cut your food and then do the blood cleaning.

• **IN THIS MOMENT THAT ENTER THE HERBS AND HEALTHY EATING?**

**“IT’S
SIMPLE,
THERE IS
NO DISEASE
THAT
REMAINS IN
A PERSON
IF YOUR
BLOOD IS
CLEAN!”**

Yes, with healthy eating and with the help of herbs, our body It strengthens itself to heal itself! Our body has that power.

• COULD YOU EXPLAIN BETTER HOW THE BODY HAS THIS "POWER"?

God created our body with the three basic capacities, to clean up to be able to heal and adapt. Our body has four expediting organs, the **Colon**, the impurity comes out through the feces, the **Kidneys**, the impurities come out through the urine, the **Lungs**, the impurities come out through the breath, and the **Skin** our largest expediting organ. That's why I say that if the blood is clean there is no disease that stay in the body. Life is in the blood, it is biblical, in Leviticus 17:11 says that the life of the flesh is in the blood.

• I SAW ON YOUR YOUTUBE CHANNEL AND FACEBOOK, SEVERAL TESTIMONIALS OF PEOPLE CURED OF VARIOUS DISEASES, TODAY YOU HAVE BEEN INVITED TO GIVE FREE LECTURES AND MORPHOLOGY COURSES ALL OVER THE WORLD, WILL BE FOR THE FOURTH TIME IN LONDON, WHEN WILL IT BE?

Yes, I've been traveling a lot around North America, South and Europe. The lecture here in London will be in the second half of June, stay tuned to my social media, I think it will be a moment for you to have valuable information for your health!

• WE WILL DISCLOSE ALL THE INFORMATION THROUGH THE SOCIAL MEDIA OF "FAMA MAGAZINE", SO THAT EVERYONE CAN ATTEND, NOW JIMMY, ALSO KNEW THAT SOME PEOPLE HERE IN ENGLAND HAVE ALREADY HEALED BY CLEANING THE BLOOD AND WOULD LIKE YOU TO LEAVE A MESSAGE TO OUR READERS.

Yes, we have had several people healed and that today has health and quality of life, one of them even had a baby, which for conventional medicine would be impossible! My message is, if we do not have time to take care of health now, we will have to find time to take care of the disease afterwards and if you want to know how to heal, ask the one who healed!
