Barb, Jeff, Dave, Ed and the SWOWEA Executive and Industrial Waste Committee,

On behalf of our team at D3W Industries, we wish to express our sincerest appreciation for great event at the Manor House. It was awesome how you and your teams recognized our customer, Empire Packing at the 32nd Annual Industrial Waste Seminar & SWOWEA Section Meeting.

Since I only sent this acknowledgement to those of you whose email addresses that I had, please express our gratitude to the committees that put this event together. We are appreciative to have been able to participate. I would also like to thank Sonya Daniels for her great introduction!

Your collective focus appears to be driving great results and great community partnerships! It is with that focus that D3W will continue to strive to be the chemical and safety experts in meeting our business partner's needs.

We are looking forward to continued success in 2022. Once again, we thank you and your committees!

Best Regards,
