**Seminar:** The SWOWEA Industrial Waste Seminar provides valuable compliance and technical information to industrial and municipal environmental professionals in southwest Ohio. The one-day agenda includes industrial wastewater case studies, a regulatory update by Ohio EPA, and new waste treatment technologies and applications.

**Exhibit Hall:** The vendor exhibits will be in the dining (Magnolia) room next to the conference (Augusta) room. There will be good traffic to all the booths. Seminar attendance is usually about 150 people from all over southwest Ohio. Extended breaks will be provided during the day to encourage the attendees to visit the exhibitors.

**Space:** Each exhibitor space includes an 8-foot-wide skirted table and two chairs. Standard electricity is included. The conference center has free Wi-Fi. The exhibit area can serve as a working area for your business during presentations. Exhibit tables will be selected from those available upon arrival.

**Exhibit Setup & Times:** Each exhibitor is responsible for the set-up and takedown of their exhibit booth material. You may set up the morning of January 23, 2024, from 7:00 to 8:00 am. The Exhibit area will be open all day until the conclusion of the presentations. All exhibits should be taken down by 6:00 pm.

**Registration:** The cost is \$300 for each booth space (\$400 after January 10). This fee includes one exhibitor registration, one lunch and access to the presentations. Additional exhibitor personnel will cost an additional \$75 per person for registration and lunch (\$85 after January 10). **Register online [here](#).**

**Sponsorships:** The cost to become a sponsor for the seminar is \$150. Your name and logo will be prominently displayed on poster boards at the registration table and the entrance to the presentation room. The sponsors will also be recognized on the projection screen between presentations and during breaks.
