

## **SWOWEA News!!**

### **SW/NE Sections On Demand Workshop Feb 10th through the 24th**

**This combined effort from the Northeast and Southwest sections will feature the ultimate in flexibility with attendees being able to obtain up to six contact hours anytime between February 10-24 from anywhere! Whether you want to spend Saturday taking all the sessions at once to get the full six hours completed or you want to do one 45 minute session per day from your office, we have you covered.**

#### **Sessions:**

- Startup of Fort Scott WWTP – Challenges and Solutions
- Conducting/Surviving an Annual Inspection
- Ohio EPA Update
- PFAS Monitoring and Treatment Opportunities at Water Resource Reclamation Facilities
- Local Limits from A to Z, Antimony to Zinc

**Register before 2/3/2021 to get the Early Bird Rate of \$90 for members and \$120 for non members**
