

SWOWEA “Online” Section Meeting
Thursday, March 18, 2021

Host: SWOWEA

Registration: www.owea.org

Initial registration will be as usual.

Since this is a virtual event, after you register at OWEA you will be sent a link to register with “Go To Webinar” sometime before the event. You will need to register at **both** OWEA and later at “Go To Webinar”.

Attendees will need to respond to polling questions during and at the end of each presentation.

Technical Sessions:

Sessions will begin at 9:00 AM and last until 11:00 AM.

OEPA contact hours are being applied for each of the technical sessions.

Technical Sessions:

9:00 am – 9:45 am – Navigating the Challenges of an Emergency Interceptor Repair– David Hafner PE, Brown and Caldwell
OEPA-XXXXXXXXX-OM – 0.75 hrs

9:45 am – 10:30 am – Scioto County Interceptor Rehabilitation- Glenn Weist PE, Dynotec
OEPA-XXXXXXXXX-OM – 0.75 hrs

10:30 am – 11:00 am – Protecting Sewers from Emerging Stream Erosion Threats- Dean Flores, Montgomery County Environmental Services, and Adam Athmer, Strand Associates
OEPA-XXXXXXXXX- OM – 0.5 hrs

Register by March 11, 2021 at www.ohiowea.org.

Registration fees are \$30.

Registration is capped so it may close early if event is filled.

Contact: Justin Bahar, SWOWEA Treasurer at Justin.Bahar@cincinnati-oh.gov or (513) 801-3458.

Credit card payment is available through www.ohiowea.org only.

Please honor your reservation with payment if unable to attend.

Thanks to the Collections Committee!
