In order for you to extend your current certification until 6/30/2021 the following steps must be met:

1. You must register and pay for a Backflow Refresher Extension.

NOTE: If you have already registered for a course this year you do not have to register again.

2. After registering you must read and complete the material that will be forwarded to you. This material includes the 2015 Ohio EPA Backflow Prevention and Cross-Connection Control Manual – Fourth Edition. The manual will be mailed out to you via USPS.
3. Complete a 200 question test taken by you that pertains to the material in the 2015 Ohio EPA Backflow Prevention and Cross-Connection Control Manual – Fourth Edition with a grade of 70% or higher to fulfill the written portion of your 2021 certification. **NOTE: You will have 2 tries to pass the test. If you fail the test twice you will have to pay a \$40 fee to retake the test.**
4. In order to receive your 2020/2021 certificate you must pass both the theory and hands-on portion of the Backflow Refresher Course completed prior to 6/30/2021 as scheduled by OTCO.
