

## Plant Manager - Ashtabula, OH

We currently have an opening available for a Plant Manager to support our Ashtabula treatment plant.

The Plant Manager II is the lead supervisor responsible for the management and supervision of Water Production Department activities supporting division and company activities in accordance with OEPA and PUCO compliance requirements.

### **ESSENTIAL DUTIES:**

- Supervisor in charge of all Production Department's source and treatment facilities, booster stations, tanks and valve/meter pits, along with all associated equipment. Responsible for ensuring the timely repair, maintenance and management of assets and operations via an electronic work order management system
- Responsible for attaining established Department objectives, including established performance metrics. This includes the training and developing of Production Department employees with an understanding and compliance with Aqua America policies, procedures, and practices.
- Serves as the Operator of Responsible Charge (ORC) for the Division's Production Department system and other jurisdictions as required within established operating contracts. Responsible for compliance with all OEPA and PUCO regulatory requirements related to the Department operations.

### **QUALIFICATIONS:**

- Must possess an Ohio EPA Class III or IV Water Supply Operator Certificate
- Between 5 and 10 years of industry experience with at least two years supervisory experience (as defined by the Ohio EPA) in a Class III or Class IV water treatment plant; this relevant experience may be considered in lieu of a bachelor's degree.
- Bachelor's degree in chemistry, biology, engineering or a related field is preferred

### **Benefits:**

- Competitive salary PLUS eligibility for annual performance bonus!
- 401k program with an employer match of up to 4% (plus potential for 3% employer discretionary contribution)
- Medical, dental, vision coverage – effective for day 1, no waiting for coverage to start
- PTO – 4 weeks (2 vacation, 1 sick, 1 personal)
- Tuition Reimbursement program
