

Collection System Operator
Belmont County Water and Sewer District - Saint Clairsville, OH 43950

Job Description

Position: Collection System Operator

Hourly Rate: \$16.75

Job Duties:

Maintains a safe and secure work environment. Performs various unskilled and service skilled tasks, including but not limited to: repair and installation of sewer lines, taps, manholes, and air releases; performs preventative and service maintenance on lift stations; cleans and maintains sewer lines; respond to customer problems; and flag traffic. Knowledge of State and County traffic control procedures. Manual labor, such as: digging; spud bar; pick; jackhammer, etc. Mowing and trimming of lift stations and treatment plant. Maintenance of treatment plant including: equipment repair; plumbing repair; and weed control. Knowledge of SCADA system operation. Assist equal or higher classified personnel. Clean and maintain department equipment including: hand tools; vehicles; workshop; heavy equipment; etc. Perform other related work as required.

Additional Job Duties:

Operation of video camera equipment. Performs inspections on grease traps and new sewer lines. May perform portions of the work of higher classified positions occasionally as assigned.

Major Work Characteristics:

Essential employee, mandatory overtime. Knowledge of safe work practices and procedures involving the use of hand and/or power tools. Ability to read and understand utility mapping and carry out detailed written or oral instructions. Maintain a log of activities. Demonstrate dexterity and skillful use of hands. Read and comprehend basic vocabulary. Recognize safety warnings. Stand, walk, or bend continuously.

Physical Requirements:

See Belmont County Water and Sewer District Functional Job Analysis by Working Options.

Minimum Requirements:

High school education, valid driver's license, Class B CDL with tanker endorsement.

Unusual Work Conditions:

Exposed to raw sewage, tolerance to odor. May be exposed to various extreme weather conditions (e.g., heat, cold, rain, snow, sun). May work evening shift. May be exposed to general outside hazards such as poison ivy or oak. Exposed to potentially dangerous power equipment (e.g., electric drills, saws, grinders, tapping machine, cutting equipment, etc.).

Work Hours: Monday – Friday with evening and weekend on call availability.

County benefits including medical, dental, vision, county funded retirement, and many more available.
