Ohio EPA Operator Certification Update

# **RULE MAKING**

# Contingency Plan Rules

- 3745-75-01 (Revised 12/23/2016)
- Revised to say 10 most likely circumstances instead of emergencies
- Procedures must include response and recovery activities such as sampling plans, treatment options and notification to the public and government agencies
- Identify sampling points that are accessible 24/7
- Systems with automation shall have plans to manually operate the system. Test plans monthly

# Contingency Plan Rules

- Plans for auxiliary power. Exercised monthly.
- Discussion of alternative sources. Sources must have sufficient quantity and quality to support drinking water needs of the system
- Method for providing water within 24 hours if system cannot produce or distribute water
- List and contact info for consecutive systems.
- Annual exercise of responses to one or more circumstance identified in plan. Each circumstance should be exercised 1/5yrs

# Contingency Plan Rules

- Must follow your contingency plan
- Immediately notify Ohio EPA contingency plan has been activated
- Director may require an after action report
- Supply the Agency emergency contact information at least 1/yr. Guarantee a response from a public water system representative w/in 30 minutes

# Keys in an Emergency

- Notify Ohio EPA ASAP !!!
- Follow contingency plan
- Provide water to critical populations
- To come of boil advisories take samples as soon as possible.
- If your lab is not open 24/7 find one that is.

# Rule Making

- 2017 All of the Operator Certification rules are due for review.

# Rule Making (Continued)

- 2017 Proposals for change to the Current Operator Certification Rules.
  - Throughout the rules we will be referring to operators as “Professionals”
  - 3745-7-01 (Definitions)
    - Changes to the definition of operating experience
      - Moving laboratory, pretreatment and engineering components to experience which only counts for a maximum of 25% of the total operating experience requirement
      - Collection and Distribution experience moved to the same provision when an operator is applying for a Wastewater Treatment or Water Supply Certificate.

# Rule Making (Continued)

- 3745-7-01 (Definitions)
  - Adding the definition of a “Week” – 7 day period beginning on Sunday and ending on Saturday
- 3745-7-02 (Certified **professional** operators required)
  - Contract must clearly define the responsibilities of the owner and the **professional** operator
  - Contracted **professional** operator shall perform their duties in accordance with the contract operator rule

# Rule Making (Continued)

- 3745-7-03 (Public water system classification and staffing requirements)
  - Remove provision allowing 12 months after a change in classification by the Director to obtain an appropriately certified operator
  - Distribution staffing -
    - » Class 1 - Visit the system 3 days per week
    - » Class 2 - Visit the system 5 days per week
  - Clarification of backup operator provisions for Class A and 1
  - Addition of a provision clarifying backup operators are responsible for violations that occur while they are staffing a plant

# Rule Making (Continued)

- 3745-7-05 (Classification of **professional** operator certification)
  - Moved limited Class A description here
  - Adding a chart showing superseding certificates
- 3745-7-06 (Certification of **professional** operators)
  - Provide minor clarifications to some paragraphs
  - Add a deadline for submittal of the Class IV exam

# Rule Making (Continued)

- 3745-7-09 (Recordkeeping requirements and responsibilities of a certified **professional** operator)
  - Operation and maintenance records must be maintained in hard bound books with consecutive page numbering or computer logs which automatically document the date, time and person making entry

# Rule Making (Continued)

- 3745-7-09 (Recordkeeping requirements and responsibilities of a certified **professional** operator)
  - Each **professional** operator shall ensure the record keeping requirements are being met
  - Each **professional** operator of record shall ensure the minimum staffing requirements are met
  - Each **professional** operator shall display a copy of their certificate at the plant or office of the owner. (Moved from 3745-7-05)

# Rule Making (Continued)

- 3745-7-09 (Recordkeeping requirements and responsibilities of a certified **professional** operator)
  - Report minimum staffing times to the agency on a form approved by the Director

# Rule Making (Continued)

- 3745-7-15 (Expiration and renewal of **professional** operator certification)
  - Requirement for electronic submission of renewal applications beginning with certificates that expire December 31, 2018
  - Moving official due date for renewals to November 30 of the expiration year.
  - Reducing grace period from 1 year to 6 months.

# Rule Making (Continued)

- 3745-7-15 (Expiration and renewal of **professional** operator certification)
  - Within 30 days of the effective date of the rule all training providers will be required to electronically submit attendance documentation
  - Clarification that training providers must notify Ohio EPA of each training session
  - Allowance for a third party course approval program
  - Penalty provisions for not following course approval requirements
  - Requirement to certify that you have taken Ohio EPA Operator Course

# Rule Making (Continued)

- 3745-7-21 (Contract Operator Rule)
  - In development.
    - Require registration for all contract operators and contract operation companies
    - Spell out requirements for contract operations companies
    - Provisions for preventing companies or operators  
From acting as contract operators

# Rules

- Rules that are here to stay
  - Minimum staffing
  - Log book requirements – any operator of record or back up is required to keep operational records and follow all the requirements in 3745-7-09

# eBusiness Center Instructions

## Operator Certification eBusiness Center

Welcome to the Ohio EPA Operator Certification Unit eBusiness page. Operators will now be able to access their operator profile, update contact information, view completed courses, submit a variety of applications and even pay program fees electronically. Training Providers will be able to update program contact information, apply for courses, upload course schedules and upload course attendance information for operators. Online access to our more popular applications, payments, and features should streamline the paperwork process and provide the most information in the least amount of time to Ohio's Operators and Training Providers. Visit the [eBusiness Center](#) and use the following links to get started.

- [How do I get an eBusiness account?](#)
  - **NOTE:** If you are a Training Provider that had valid contact hour course approval numbers on or before August 1, 2014 you may already have an account. Please contact Operator Certification **before** creating a new account.
- [How do I request a PIN?](#)
- [How do I request a service?](#)
  - [Operator Service](#)
    - **NOTE: If you have a certificate, or if you have ever applied for an exam, certificate, or OIT status with Ohio EPA, you have a Core Person ID number.** Your core person ID is the middle seven digits of your certification number. If you are not sure of your core person ID please contact the operator certification unit at 1-866-411-OPCT (6728) before selecting "No" and creating a new Core Person ID number.
- [Training Provider Service](#)
  - NOTE: the Training Provider Service and the Operator Service should **NOT** be activated under the same user account. If your Training Provider contact person is also a Certified Operator, they will need to create a separate account for personal operator functions. They will maintain separate Usernames, Passwords, and PINs for the Training Provider account and their Operator Account.
- [Exam Provider Service](#)

## How are we doing?

### Certified Operator Service Request

#### Certified Operator Lookup

 Please enter the appropriate information in the space provided to retrieve your operator profile.

\* Do you have an existing Core Person ID number from Ohio EPA?

NOTE: If you have a certification or if you have ever applied for an exam with Ohio EPA, you have a core person ID. So you will select "Yes" from the drop down list. You will need to enter your core person ID and the last four digits of your Social Security Number (SSN). Your core person ID is the middle seven digits of your certification number. If you are not sure of your core person ID please contact the operator certification unit at 1-866-411-OPCT (6728). Please do not select "No" and create a new Core ID number unless you are certain you do not already have one.

# Core Person ID Numbers

- Core ID numbers are the middle 7 digits of an operators certificate number

Certificate #	Core Person ID
WS1-1234567-12	1234567

- Persons who do not have a certificate, may still have a Core Person ID.
  - If there is a question, please contact Ohio EPA.

Ohio EPA Operator Certification Update

# **ELECTRONIC APPLICATIONS**
