

CITY OF BEREA WATER PLANT OPERATOR I

The City of Berea is accepting applications for a WATER PLANT OPERATOR I position in the Water Treatment Plant. This opening will remain until the position is filled.

NATURE OF WORK: This is semi-skilled and skilled work in the operation of the water treatment plant. Work involves responsibility for the maintenance and operation of the water treatment plant during an assigned shift. Work involves the monitoring of numerous operating units and requires the accurate observation of operations to maintain established standards. Job duties may also include light maintenance and janitorial duties as needed.

JOB REQUIREMENTS:

Rotating 12 hour shifts.

Overnight, holidays/weekends required.

Must be available for emergencies during off duty hours.

To have possession of, or obtain a Class I Water Operators Certification.

Applications can be submitted on the [City of Berea Website](#).
