

Job Announcement

PUBLIC UTILITIES SUPERVISOR

(Water Distribution)

City of Miamisburg, Ohio (pop. 20,000) is accepting applications for a Utilities Supervisor position to manage and lead daily maintenance and operations of the City's water distribution system.

The Utilities Supervisor reports to the Public Works Superintendent and performs a variety of routine and complex skilled, technical and supervisory duties within the distribution division of the Public Works Department. Each Utilities Supervisor leads a staff of 4-6 full-time union employees. The position requires strong interpersonal skills, a solid work ethic, sound technical knowledge, as well as the ability to motivate and lead employees by example. Utility Supervisors are expected to ensure regulatory compliance is met and that proper standards and practices are exercised during the maintenance of the City's distribution system.

Minimum Qualifications:

- Associate's Degree in Environmental Science, Construction Management, Engineering or related field or equivalent education and/or experience; and
- A minimum of five (5) years of progressively responsible experience in public works operations or a related field, including documented experience in a supervisory and/or leadership role; and
- Possess a valid Ohio driver's license*, and
- Possess a Class A CDL with tanker endorsement, or a Class B CDL, under the condition that a Class A CDL with tanker endorsement be obtained within two (2) years*; and
- Possess a minimum of a Class I Ohio EPA water or sewer license as determined by the Public Works Director or designee. Obtain a Class II Ohio EPA license within three years;* and
- Must be able to respond quickly to emergencies and fulfill physical demands of the position; and
- Must be able and willing to work extended hours and demonstrate a work history of excellent attendance and overtime response; and
- Must have administrative experience with public works related records (examples: payroll, budgets, purchasing, and inventory); and
