

## EMPLOYMENT OPPORTUNITY

### PUBLIC WORKS DEPARTMENT Water Distribution Operator/Operator B

The City of Oberlin Public Works Department is accepting applications for a **Full-Time Water Distribution Operator/Operator B**. The Distribution Operator is responsible for the operation, maintenance, repair and replacement of the water distribution system, and all associated equipment. Duties include manual labor and the operation of heavy equipment, power and hand tools to operate, maintain, repair and improve the City's water distribution system and related facilities. Will be required to work in severe weather conditions, required to work in trenches and in potentially hazardous traffic conditions. The position requires minor to significant levels of physically demanding effort. The position will be assigned to stand-by and must respond to call-outs in times of emergency or other times of need.

#### Minimum Qualifications:

High school diploma or equivalent. Mathematical ability, communication skills, planning and organizing skills, and mechanical ability. Knowledge and experience of water distribution system operations is preferred. Must be able to function with co-workers as a team. Must have a telephone to be reached for standby and for emergency call-outs. Valid Ohio Class B Commercial Driver's License with Air Brakes and Tanker Endorsement. The Distribution Operator has earned the Class I OEPA Water Distribution Operator license. Distribution Operator "B" is the training position and must earn the OEPA Class I Water Distribution License within 2 years of date of hire.

Salary Range: \$17.02-\$25.78/Hour D.O.Q.
