

EMPLOYMENT OPPORTUNITY

PUBLIC WORKS DEPARTMENT / WATER DIVISION Water Operator/Assistant Laboratory Technician

The City of Oberlin is accepting applications for the position of full time Water Operator/Assistant Laboratory Technician in the Water Division of the Public Works Department. Duties include operating the Water Treatment Plant in accordance with the laws and regulations of the State of Ohio and approved operating procedure. Performing preventive and scheduled plant maintenance; assisting the Laboratory Technician and, in the absence of the Laboratory Technician, performing all required laboratory analysis.

The position may be assigned to stand-by and must respond to call-outs in times of emergency or other times of need.

Minimum requirements: High school diploma or equivalent. At least two (2) years' experience in a laboratory. Some college level courses in Microbiology, Chemistry or Biology desired. Or an equivalent combination of education and experience which provides the skills and abilities necessary to perform the job. Mathematical ability; communication, planning and organizing skills. Knowledge of water treatment processes and recordkeeping. Must have a telephone to be reached for standby and for emergency call-outs. OEPA Class II Water Treatment Plant Operator Certification. Valid Ohio Class B Commercial Driver's License with Air Brakes and Tanker Endorsement within 12 months of date of hire.

Starting Hourly Rate: \$22.38 to \$27.97 D.O.Q.
