

DEPUTY SERVICE DIRECTOR
City of Oxford

The City of Oxford is seeking applicants for the position of Deputy Service Director in the Service Department. This individual assists the Service Director in resolving operational, administrative, and personnel issues as well as long range planning and forecasting. Assists with operations of all Service Department Divisions including: Engineering, Streets & Maintenance; Water Plant; Water Distribution; Wastewater Plant; Wastewater Collection; and Environmental Services. Performs inspections and contributes to procedures associated with the maintenance and repair of the City's water system, sanitary sewer system, storm sewer system, and streets, curbs and sidewalks.

Associates degree in related field preferred; Ohio EPA Class II Water Distribution certificate; Ohio EPA Class II Wastewater Collection certificate; possession of a valid state driver's license; 3 years of responsible, related experience; or any combination of education, training, and work experience which provides the required skills to perform the essential functions of the job.

Salary range \$85,704 - \$95,227 plus excellent benefit package. **Open until filled.**
